WELCOME TO STETSON UNIVERSITY!

Stetson is a community committed to facilitating your intellectual, social, physical and spiritual development. Please take advantage of the variety of opportunities for challenge and growth that are offered to you.

"Connections" is an official publication of the University. It is designed to help you become aware of the opportunities for personal development available to you as well as the policies and procedures governing student life. Academic programs, policies and requirements are explained in greater detail in the Stetson University *Bulletin*.

We are glad you are here. We hope Stetson will be a better place because of your presence.

A handwritten signature in black ink, reading "James R. Beasley". The signature is fluid and cursive, with the first name "James" and last name "Beasley" clearly legible, and "R." as a small initial between them.

James R. Beasley
Vice President and
Dean of Campus Life

ALMA MATER

Dear Alma Mater, smile upon thy children!
Gladly we greet thee, altogether lovely;
Peace be within thy classic halls and temples,
Hail, Alma Mater dear!

Hail to the heroes who have gone before us,
Young men and maidens, filled with true devotion!
Bright is their glory, fadeless and undying,
Hail to our heroes gone!

Hail to our classmates, bound by ties ne'er broken;
Here once again we pledge our vows of friendship;
Brave hearts and true hearts sound aloud and chorus,
Long live our comrades dear!

Dear Alma Mater, tenderly thy children
Gather, and bring to thee gracious salutations;
Comrades, your voices lift once again in chorus;
Hail, Alma Mater dear!

THE STETSON COMMUNITY

STATEMENT OF PURPOSE

Stetson University aspires to be a comprehensive private university made up of individually strong undergraduate academic programs in various colleges and schools, each of which is recognized by its peers for intellectually exciting programs, effective teaching, and a selected group of academically distinctive graduate and continuing education programs.

Stetson University provides distinctive programs which include a comprehensive university curriculum that is united by a commitment to Christian values and the liberal arts and a learning environment which affords special opportunities for personal growth and community service, the development of leadership skills, and the interaction of students, faculty, and staff.

Stetson seeks students whose basic objective is a well-rounded intellectual and aesthetic self-development program. Many will be pre-professional and career oriented students who desire a broadly based learning experience. Stetson attempts to admit students who have demonstrated high academic and leadership potential as well as a sense of personal and community responsibility.

Through a high level of faculty, staff, and alumni involvement, and a demanding but caring environment, Stetson prepares students to pursue careers, enter highly selective graduate programs, pursue lifelong learning, and lead meaningful lives of service in their communities.

A BRIEF HISTORY

The city of DeLand and Stetson University have literally grown up together. DeLand was a small village when Mr. Henry DeLand, the principal citizen of the town, conceived the idea of founding a school. The first classes of "DeLand Academy" were held in the First Baptist Church of DeLand in 1883. The Academy became a college in 1885. In 1889 the name was changed to Stetson University in honor of the famous hat manufacturer, John B. Stetson, who made generous contributions to the University both in time and money.

DeLand Hall, one of the best-loved buildings on campus, is a reminder of the vision and dream which Mr. DeLand had when the University was founded. This small building in the center of the campus was the first building to be erected in the State of Florida for the teaching of higher education. It has been preserved in its original construction and has recently been renovated to house various administrative offices.

The University was a College of Liberal Arts until the founding of the College of Law in 1900, the first law school in Florida. The College of Law was moved to St. Petersburg in 1954, where larger courts and other advantages were available in that metropolitan area. Stetson also pioneered in Florida the teaching of music and business administration and in offering graduate work leading to the Master of Arts degree.

CAMPUS LIFE STAFF

		Office	Ext.
James R. Beasley	Vice President and Dean of Campus Life	CUB 201	7210
Kemper D. Smith, III	Associate Dean of Campus Life and Director of Residential Life	CUB 212	7200

Campus Life Committee

The Campus Life Committee is composed of five students and five faculty. This Committee functions as a coordinating and overseeing body of all student-oriented campus programming and policies.

All organizations on campus receive their approval for official recognition from the Campus Life Committee. The chair of the Committee for 1991-92 is Ann Jerome Croce, Assistant Professor of American Studies. You may contact her in Room 218 of Sampson Hall or at extension 7532.

ACADEMIC CALENDAR 1991-1992

FALL SEMESTER 1991 (66 CLASS DAYS - 40 MWF & 26 TTH)

Friday, August 30	Residence Halls open 8:30 a.m. (new students only) Food service opens 11 a.m. (new students only)
Sunday, September 1	Residence Halls open 8:30 a.m. (returning students) Food service opens 11 a.m. (returning students)
Friday-Tuesday August 30-September 3	New student orientation and academic advising
Monday-Tuesday September 2-3	New student registration and validation of registration by returning students
Wednesday, September 4	CONVOCATION Classes begin
Wednesday, September 11	Last day to add course for credit. Last day to drop course without financial penalty
Friday, October 4, Saturday, October 5	Last day to drop course without academic penalty CLAST Test
Monday, October 21	Grade inventories due to Registrar
Friday-Sunday October 26-27	PARENTS' WEEKEND
Monday-Friday November 4-5	Academic advising for <i>Upperclassmen</i> for Winter Term and Spring Semester
Monday-Tuesday November 11-13	Registration for <i>Upperclassmen</i> for Winter Term and Spring Semester
Thursday, November 14	Registration for <i>Freshmen</i> for Winter Term and Spring Semester
Wednesday, November 27	Residence halls close 6:00 p.m. Food service closes 6:00 p.m.
Thursday-Friday November 28-29	THANKSGIVING HOLIDAY
Sunday, December 1	Residence halls open 12:00 noon
Monday, December 2	Classes resume; Food Service opens 7:00 a.m.
Friday, December 6	Last day of classes
Monday-Friday December 9-13	Final examinations
Friday, December 13	Food Service closes 2:00 p.m. Residence halls close 6:00 p.m. (except for those students participating in Commencement)
Friday, December 13	Grades for graduates due to Registrar by 9:00 a.m.
Sunday, December 15	COMMENCEMENT

WINTER TERM 1992 (17 CLASS DAYS)

Sunday, January 5	Residence halls open 12:00 noon New student orientation and academic advising
Monday, January 6	Food Service opens 7:00 a.m. New student registration and validation of registration for returning students
Wednesday, January 8	Classes begin Last day to add course for credit. Last day to drop without financial penalty

WINTER TERM (*Continued*)

Tuesday, January 14	Last day to drop course without academic penalty
Tuesday, January 28	Last day of classes
Wednesday, January 29	Final examinations
	Food Service closes 2:00 p.m.
	Residence Halls remain open

SPRING SEMESTER 1992 (64 CLASS DAYS - 38 MWF & 26 TTH)

Sunday, February 2	New student orientation
Monday, February 3	New student registration and validation of registration by returning students
Monday, February 10	Last day to add course for credit. Last day to drop course without financial penalty.
Saturday, February 22	CLAST Test for sophomore students
Friday, March 6	Last day to drop course without academic penalty
Friday, March 13	Grade inventories due to Registrar
	Residence halls close 6:00 p.m.
	Food Service closes 6:00 p.m.
	SPRING HOLIDAYS
Monday-Friday March 16-20	
Sunday, March 22	Residence halls open 12:00 noon
Monday, March 23	Classes resume; Food Service opens 7:00 a.m.
Monday-Friday April 6-10	Academic advising for Summer Session and Fall Semester
Tuesday-Thursday April 14-16	Registration for Summer Session and Fall Semester
Sunday, April 19	EASTER
Thursday, May 7	Last day of classes
Friday, May 8	Reading Day
Saturday-Thursday May 9-14	Final examinations
Thursday, May 14	Residence halls close 6:00 p.m. (except for those students participating in Commencement)
Friday, May 15	Final grades for graduates to Registrar by 9:00 a.m.
Sunday, May 17	BACCALAUREATE and COMMENCEMENT
	Food Service closes 2:00 p.m.
	Residence halls close 6:00 p.m.

ACADEMIC POLICIES

The Stetson University *Bulletin* is the official University publication which contains information regarding degree requirements, grades, class attendance, academic probation, etc.

DEGREE REQUIREMENTS

A detailed listing of all requirements for a specific degree and major may be found in the University *Bulletin*. It is the student's responsibility to insure that all requirements for graduation have been met.

To assist the student in this effort, the Office of the Registrar maintains an up-to-date "check sheet" for each student. This outlines the requirements of the student's major and records his/her point average progress toward the degree. The student is sent a copy of the check sheet each semester prior to academic advising and registration. Additional copies are 50 cents each.

CHANGE OF MAJOR

A student who wishes to change a major should first consult with his/her adviser. The change may then be made in the absence of the appropriate academic Dean.

ACADEMIC LOAD

A student must average 14-16 hours per semester and three hours each Winter Term in order to graduate in four years. A student who carries fewer than 12 hours is a *part-time* student. A part-time student does not qualify for the Honor Roll or Dean's List and may not qualify for certain kinds of financial aid or for other benefits which require certification of full-time status. For the Winter Term, fewer than three hours is considered part-time; fewer than six hours is considered part-time for summer school. Students who take eight hours or more pay full tuition.

ATTENDANCE

Independent study is encouraged at the University, but regular attendance is required in most classes. Stetson prescribes no general attendance rule; the individual colleges and schools may establish attendance regulations, but usually attendance requirements are established by individual professors for their own classes.

ACADEMIC RECORDS

Academic records (transcripts) are maintained in the Registrar's Office. Students may examine their personal records upon request. The record is not released without the student's written permission. Exceptions to this policy are administrative and faculty personnel within the University who have a need to know. A charge is assessed for each copy requested. Transcripts are withheld if the student is not in good financial standing with the University.

INTERPRETATION OF GRADES AND QUALITY POINTS

Grades and quality points represent the instructor's final estimate of the student's performance in a course. The grade of A (+ or -) may be interpreted to mean that the instructor recognizes exceptional capacity and exceptional performance. The grade of B (+ or -) signifies that the student has, for any combination of reasons, gained a significantly more effective command of material than is generally expected in the course. The grade of C+ is the instructor's certification that the student has demonstrated the required mastery of the material. A student is graded C- or D (+ or -) when his/her grasp of the course essentials is minimal. The F grade indicates failure to master the essentials and the necessity for repeating the course before credit may be earned.

Quality points are values assigned to letter grades. Students' cumulative grade-point averages are based on a four-point scale. Letter grades are assigned the following numerical equivalents per semester hour:

A+ = 4.00	C = 2.00
A = 4.00	C- = 1.67
A- = 3.67	D+ = 1.33
B+ = 3.33	D = 1.00
B = 3.00	D- = 0.67
B- = 2.67	F = 0.00
C+ = 2.33	

I = Incomplete. This is the grade given when, because of illness or other extenuating conditions, the instructor's academic Dean has approved an extension of time for the completion of a course. The work of the course must be completed two weeks prior to the last day of classes in the next academic semester or enrollment (excluding winter and summer terms); but in all cases, except graduate thesis courses, it must be removed within 24 months from the date issued regardless of enrollment status; otherwise the **I** becomes an **F**. If a grade of **I** has been assigned, in no case may the course be repeated to improve grade standing.

NC = No credit, no quality points earned, does not affect grade-point average.

P = credit, no quality points earned, does not affect grade-point average.

W = an approved withdrawal from the University before the mid-term grade inventory. No credit or quality points are earned and the grade-point average is not affected.

WP = an approved withdrawal from the University after the mid-term grade inventory. The grade is given according to the instructor's evaluation. No credit or quality points are earned and the grade-point average is not affected.

WF = an approved withdrawal from the University after the mid-term grade inventory. The grade is given according to the instructor's evaluation. No credit or quality points are earned, but the grade **WF** is treated as hours attempted and the grade-point average is affected.

X = the grade received for late drop of a course without academic penalty. No credit or quality points are earned and the grade-point average is not affected. The grade must be approved by the student's academic dean.

ACADEMIC POLICIES

The Stetson University *Bulletin* is the official University publication which contains information regarding degree requirements, grades, class attendance, academic probation, etc.

DEGREE REQUIREMENTS

A detailed listing of all requirements for a specific degree and major may be found in the University *Bulletin*. It is the student's responsibility to insure that all requirements for graduation have been met.

To assist the student in this effort, the Office of the Registrar maintains an up-to-date "check sheet" for each student. This outlines the requirements of the student's major and records his/her point average progress toward the degree. The student is sent a copy of the check sheet each semester prior to academic advising and registration. Additional copies are 50 cents each.

CHANGE OF MAJOR

A student who wishes to change a major should first consult with his/her adviser. The change may then be made in the absence of the appropriate academic Dean.

ACADEMIC LOAD

A student must average 14-16 hours per semester and three hours each Winter Term in order to graduate in four years. A student who carries fewer than 12 hours is a *part-time* student. A part-time student does not qualify for the Honor Roll or Dean's List and may not qualify for certain kinds of financial aid or for other benefits which require certification of full-time status. For the Winter Term, fewer than three hours is considered part-time; fewer than six hours is considered part-time for summer school. Students who take eight hours or more pay full tuition.

ATTENDANCE

Independent study is encouraged at the University, but regular attendance is required in most classes. Stetson prescribes no general attendance rule; the individual colleges and schools may establish attendance regulations, but usually attendance requirements are established by individual professors for their own classes.

ACADEMIC RECORDS

Academic records (transcripts) are maintained in the Registrar's Office. Students may examine their personal records upon request. The record is not released without the student's written permission. Exceptions to this policy are administrative and faculty personnel within the University who have a need to know. A charge is assessed for each copy requested. Transcripts are withheld if the student is not in good financial standing with the University.

INTERPRETATION OF GRADES AND QUALITY POINTS

Grades and quality points represent the instructor's final estimate of the student's performance in a course. The grade of A (+ or -) may be interpreted to mean that the instructor recognizes exceptional capacity and exceptional performance. The grade of B (+ or -) signifies that the student has, for any combination of reasons, gained a significantly more effective command of material than is generally expected in the course. The grade of C+ is the instructor's certification that the student has demonstrated the required mastery of the material. A student is graded C- or D (+ or -) when his/her grasp of the course essentials is minimal. The F grade indicates failure to master the essentials and the necessity for repeating the course before credit may be earned.

Quality points are values assigned to letter grades. Students' cumulative grade-point averages are based on a four-point scale. Letter grades are assigned the following numerical equivalents per semester hour:

A+ = 4.00	C = 2.00
A = 4.00	C- = 1.67
A- = 3.67	D+ = 1.33
B+ = 3.33	D = 1.00
B = 3.00	D- = 0.67
B- = 2.67	F = 0.00
C+ = 2.33	

I = Incomplete. This is the grade given when, because of illness or other extenuating conditions, the instructor's academic Dean has approved an extension of time for the completion of a course. The work of the course must be completed two weeks prior to the last day of classes in the next academic semester or enrollment (excluding winter and summer terms); but in all cases, except graduate thesis courses, it must be removed within 24 months from the date issued regardless of enrollment status; otherwise the **I** becomes an **F**. If a grade of **I** has been assigned, in no case may the course be repeated to improve grade standing.

NC = No credit, no quality points earned, does not affect grade-point average.

P = credit, no quality points earned, does not affect grade-point average.

W = an approved withdrawal from the University before the mid-term grade inventory. No credit or quality points are earned and the grade-point average is not affected.

WP = an approved withdrawal from the University after the mid-term grade inventory. The grade is given according to the instructor's evaluation. No credit or quality points are earned and the grade-point average is not affected.

WF = an approved withdrawal from the University after the mid-term grade inventory. The grade is given according to the instructor's evaluation. No credit or quality points are earned, but the grade **WF** is treated as hours attempted and the grade-point average is affected.

X = the grade received for late drop of a course without academic penalty. No credit or quality points are earned and the grade-point average is not affected. The grade must be approved by the student's academic dean.

XF = the grade received for late drop of a course with academic penalty. No credit or quality points are earned, but the grade **XF** is treated as hours attempted and the grade-point average is affected. The grade must be approved by the student's academic Dean.

FORGIVENESS OF "F" GRADE

An undergraduate student may repeat a failed course to receive credit and improve the cumulative grade-point average. If a higher grade is earned, only the hours attempted and quality points earned for the passed attempt will be used in computing the student's cumulative grade-point average. However, all attempts will remain part of the student's permanent academic record. The Pass/Fail grade option may not be used when repeating a failed course, unless it was the grade option selected for the initial attempt.

This policy pertains to undergraduate, degree-seeking students only and applies to "F" grades earned during the Fall Semester of 1991 and subsequent academic terms. It does not apply to courses failed prior to that time.

QUALITY POINT COMPUTATION

A cumulative average of C (2.00 GPA) requires a student to have earned two quality points for each credit hour attempted. To graduate, a student must earn a minimum of 126 credit hours and 252 quality points, if all work is completed at Stetson. If credit has been transferred from another institution, then a minimum of 48 credit hours and 96 quality points must be earned at Stetson. The combined credit hours earned must still total a minimum of 126 to graduate. The grade-point average is determined by dividing the total quality points earned by the total hours attempted, including all courses failed. Only courses taken at Stetson are included in the student's cumulative grade-point average.

CHANGE OF REGISTRATION (DROP/ADD)

During the first few days of each term, an opportunity is accorded students to make changes in their class schedules. The exact dates for this period vary each term and are published in the official University calendar included in this bulletin. The necessary change-of-registration forms are available in the Registrar's Office. *Within the drop/add period*, a certain initial period of time is allowed for students to add as well as drop courses without academic penalty. **It is imperative that students consult the University calendar for the exact dates provided each term for adding or dropping courses.** A change of registration after the "add" period does not reduce charges. A course dropped after the drop period carries a grade of X or XF as determined by the appropriate academic Dean.

PASS/FAIL CREDIT

During the four semesters of their junior and senior years, students are allowed a total of two pass/fail electives which are excluded from their grade point averages. These electives must be beyond all University distributional requirements and outside the division in which the student is majoring. They may not be used to satisfy requirements for a minor. To exercise this option, students must obtain a pass/fail form from the Office of the Registrar and

have the form signed by their faculty advisor during the add period. A student may not initiate such a request after the last day to add a course.

In the School of Business Administration, pass/fail electives must be beyond all School of Business Administration requirements and must be courses offered outside the School of Business Administration.

During the Winter Term, pass/fail credit options may be available. These are outside the restrictions outlined above and are arranged directly with the instructor of the course.

EXAMINATIONS

Examinations are given in all courses at the end of each academic term. Students who miss an examination without prior permission from the Dean of the applicable school or college will be graded "F" in that course.

ACADEMIC WITHDRAWALS

Official withdrawal from the University can be granted only after proper clearance from the Office of the Associate Dean of Campus Life and the Dean of the college or school concerned. Students who leave the University without proper permission automatically suspend themselves and can be readmitted only by special approval of the Dean of the appropriate college or school. A grade of "F" is recorded for all courses when a student leaves without approved withdrawal. The student begins the withdrawal process in the Office of the Associate Dean of Campus Life. Students may not withdraw after the last day of classes in a term. (For explanation of **W**, **WP**, and **WF** grades, see preceding page.)

ACADEMIC STANDING

Every undergraduate student enrolled at Stetson University is expected to earn and maintain an average grade of at least "C" (2.0 G.P.A.) on all course work attempted. A cumulative average of "C" (2.0 G.P.A.) is required for graduation.

ACADEMIC WARNING

Any student whose cumulative average falls below a "C" (2.0 G.P.A.) at the end of a grading period will be given an academic warning. This warning will be in effect until an overall "C" (2.0 G.P.A.) average is regained. If a student earns a "C" (2.0 G.P.A.) or higher average for a single semester but the cumulative average remains below a "C", the warning will be continued.

ACADEMIC SUSPENSION

Any student on academic warning who becomes deficient by eighteen (18) or more quality points will be suspended, normally for a period of eight (8) months. Also, a student may be suspended if the student fails all of the course work attempted during the first semester at Stetson. During the time that a student is on academic suspension, any academic work taken at another institution will not be accepted for credit toward the requirements for graduation at Stetson University.

READMISSION AFTER SUSPENSION

A student who has been academically suspended for the first time is eligible to apply for readmission after the period of suspension has been served. The student should apply to the Dean of the college or school for readmission at least thirty (30) days prior to the scheduled date of registration for the term for which the student seeks readmission. A student who is readmitted following a suspension will be continued on academic warning.

Students readmitted to the University following an academic suspension who fail to maintain a grade point average of 2.0 (C) or higher each semester until their quality point deficiency is reduced to less than 18 will be suspended a second time. This is considered academic dismissal.

Also, readmitted students who reduce their quality point deficiency below 18 and later become deficient by 18 or more quality points will be suspended again (dismissal).

READMISSION AFTER A SECOND SUSPENSION (DISMISSAL)

A second suspension is considered to be academic dismissal. Under ordinary circumstances, a student will not be readmitted following a second suspension.

ADMINISTRATION AND APPEALS

Academic suspension and readmission are the administrative responsibilities of the Deans of the college and schools. Inquiries, appeals, and requests for readmission should be directed to the appropriate Dean.

GRADE INVENTORIES

Once each semester, at mid-term, unsatisfactory grades are reported. This is called a grade inventory. Only grades less than C are reported and these are not recorded on the student's permanent record. They are simply to give the student an idea of progress up to the time of the inventory. It is the student's responsibility to arrange for conferences with the instructor, faculty advisor, a student Dean, or anyone else whom the student feels may be of help.

APPEAL FROM DECISION OF ACADEMIC DEAN

Student appeals for relief from an academic regulation of the University should be directed to the Dean of the school or college in which the student has chosen to major. The Dean has the responsibility for maintaining the integrity of all academic policies and regulations of the University and the decision of the Dean normally is considered to be final.

Stetson is committed to fairness, equity, and justice in all relationships. A student who feels that the decision by the Dean is either arbitrary or grossly unfair may appeal the Dean's decision to the Provost. This appeal must be in writing and must show why, in the view of the student, the decision of the Dean was unfair. The appeal should be delivered to the Office of the Provost and should provide the Provost with the following additional data:

- full name
- student number
- academic major
- academic adviser
- local address
- local telephone number

The Provost will communicate his response to the formal appeal in writing to the local address provided by the student after consultation with the involved parties.

ACADEMIC POLICY CHANGES

The following statement of changes in academic policies is intended to provide a convenient summary of recent changes which may affect your academic planning.

Effective School year 90-91

1. Deletion of policy that prohibited transfer of academic credit over 10 years old.
2. Clarification of the minimum grade acceptable for transfer credit. A grade of C- or better with at least a 2.00 GPA is required for all work transferred.
3. Reduction of the number of credit hours needed to earn the BA, BS, and BBA degrees to 127 for May and August 1991.
4. Increased from 32 to 48, the minimum number of credit hours needed for a degree that must be earned from Stetson.
5. Changed requirement from "last semester" of academic work must be taken at Stetson, to "last year" of academic work, usually 32 hours, must be taken at Stetson.
6. No transfer credit shall be given for courses taken at another institution during a term in which a student is enrolled as a full-time student at Stetson. A student desiring to earn more than nine hours of summer school credit toward a degree at Stetson University in any year must have advanced permission from the appropriate academic Dean.

Effective School Year 91-92

1. Reduced the number of credit hours needed to earn the BA, BS, and BBA degrees to 126. Music degree requirements stay the same.
2. Forgiveness of "F" grades.

An undergraduate student may repeat a failed course to receive credit and improve cumulative grade point average. If a higher grade is earned, only the hours attempted and quality points earned for the passed attempt will be used in computing the student's cumulative grade point average. However, all attempts will remain part of the student's permanent academic record. The Pass/Fail grade option may not be used when repeating a failed course, unless it was the grade option selected for the initial attempt.

This policy pertains to undergraduate, degree-seeking students only and applies to "F" grades earned during the Fall semester of 1991 and subsequent academic terms. It does not apply to courses failed prior to that time.

3. The addition of plus and minus grades to the present grading system.
4. Students working toward the BBA degree may only use six hours of transfer credit toward the requirements of their major.

Any student, staff member, or faculty member may report to the Student Judicial Officer (the Associate Dean of Campus Life) a student believed to be in violation of any University regulation.

MINORITY STUDENT PROGRAMS

Stetson considers diversity in the University community to be not only highly desirable but essential to its mission. Through the establishment of an office of Minority Student Programs, the University commits itself to achieving a higher level of social maturity and tolerance for differing cultures. The Coordinator of Minority Student Programs promotes cultural diversity and awareness on the campus and serves as a counselor, advisor, and resource to minority students. All students are invited to visit the Minority Student Programs office in Room 210 in the Carlton Union Building.

RESIDENTIAL LIFE

Stetson University prides itself on being a residential University. Approximately 1,500 undergraduate students reside on campus in University facilities. Stetson is concerned not only with the formal education of its students but also with their total development as persons. The residence hall program contributes to this effort toward personal growth and development.

The University desires to provide housing of the highest possible quality at the lowest possible rate. Residence halls are staffed with student advisors who are chosen and trained by the staff of the Dean of Campus Life. The residence hall staff is committed to working with students in developing a sense of community conducive to academic and personal growth through programming, advising, and acquainting students with the total college experience.

Residential Life's relationship with students is based on the assumption that residents are adults, capable of initiating reasonable decisions to ensure their own rights and to respect the rights of others. Freedom, self-direction and responsibility are emphasized.

For additional information explaining the residential life program, please refer to the Residential Life Guidebook located in the back of this Handbook.

STUDENT HEALTH SERVICE

Stetson provides a full-time professionally staffed Student Health Service (SHS) which is located directly north of the Stetson pool.

Under the direction of the University Physician, the staff includes six registered nurses and a consulting pharmacist. The University Physician holds office hours in the Health Service at 1:00 p.m. on Monday, Tuesday, Thursday, and Friday, and at 8:00 a.m. on Wednesday. He is available at other times for consultation. All currently enrolled Stetson students are eligible for treatment. This includes on-campus, commuter, part-time, and graduate students.

The SHS is staffed by a registered nurse from Sunday, 7:00 p.m. to Saturday, 7:00 a.m., as well as 1:00-2:00 p.m. on Saturday. If medical assistance is necessary during the time that the Health Service is closed, students should use the emergency room of either West Volusia Memorial Hospital or Fish Memorial Hospital, both of which are located within five minutes of the campus.

All students must complete a medical history record. Documentation of immunizations for measles and rubella are required prior to registration.

The SHS operates as a primary outpatient clinic as well as providing limited inpatient care. The SHS offers an Allergy Clinic, wellness and health education, referrals and counseling. Examinations, treatments and discussions with students are considered privileged medical information and are treated with the maximum confidentiality afforded by law and ethical standards.

Medical excuses covering absences from class or University exercises are not issued by Student Health Service. Course requirements, attendance, opportunities and methods of making up missed work are responsibilities of the faculty and academic administration. It is the privilege of instructors to require verification of any absence when they feel it is indicated. Students should be seen at the Health Service for medical treatment on the day of an illness. Documentation of visits by students will serve only to verify an illness, not to excuse it.

While visits to the Health Service are included in the General Fee paid in connection with registration of classes, students are charged for certain supplies, medication, and laboratory tests prescribed by the University Physician.

Health Insurance: It is very important that students and parents understand that the University does not automatically provide insurance for students. A student accident and sickness insurance plan is offered through the office of Vice-President for Finance.

It is suggested that students who are included in family policies bring this information and have the policy numbers available in the event of accident or emergency illness.

STUDENT LIFE

The Stetson University mission to educate is fulfilled through a partnership involving curricular and co-curricular programs. The Student Life program is a vital part of the University's mission. Student organizations are a vital part of the University and the Student Life program.

The primary role of student organizations at Stetson University is to provide students with opportunities (1) to enhance the University's mission to educate, (2) to meet specific student needs, (3) to broaden their social and leadership skills, (4) to encourage spiritual growth and a sense of moral and social responsibility, and (5) to provide an avenue for campus and community service. In these ways, organizations provide a means through which the University clarifies its long-range goals, and students participate directly in programs that enrich campus life.

As a part of the role which student organizations play in the education process, organizations provide students with opportunities to explore new ideas and new leadership roles, and to engage occasionally in the open debate of controversial issues. Students are allowed to succeed, to fail, to argue, to discover new truths and to make mistakes. Students are taught how to live with others in an open spirit of freedom, compromise, and mutual respect.

Stetson University recognizes the *legal right* of persons to assemble and to speak and the significant role free speech and academic freedom play in the life of a university. Student organizations, however, *do not speak for or represent* the University, nor are their views or activities necessarily promoted or condoned by the University.

REQUIREMENT FOR STUDENT ORGANIZATIONS:

RECOGNITION - All student organizations *must be approved* by the University in order to be officially recognized. They must have a Charter, a set of officers, a list of members, a statement of purpose, and a program of activities.

RESTRICTIONS - The University recognizes the legal right of students to organize and to speak in an environment supportive of an open exchange of ideas. Nonetheless, the University *does not allow* organizations on campus which deny human rights of other individuals, which disrupt orderly University processes, or which attempt to do psychological or physical harm to others.

PROCEDURE - In order to qualify as a recognized organization at Stetson University, the following must be accomplished:

1. The group seeking recognition must submit to the Assistant Dean of Campus Life a constitution with the following information:
 - a. Name of organization
 - b. Purpose of organization
 - c. Membership eligibility
 - d. List and description of officers and duties
 - e. List of committees and their functions
2. Roster of Charter members
3. Name of faculty advisor and his/her statement of consent to serve in advisory capacity.
4. The constitution, list of Charter members and faculty advisor consent statement must be submitted to the Campus Life Committee one week prior to voting
5. The recommendation of the Campus Life Committee is sent to the Vice President/Dean of Campus Life for final approval.

POLICY ON HAZING - Stetson University believes that involvement in student organizations greatly enhances the development of college students. An organization's member education program, if developed and conducted in an atmosphere of mutual respect with social and moral responsibility, can contribute much to the student's total education. In keeping with this principle, and in view of the possibility of abuses by student organizations at Stetson and university campuses throughout the country, Stetson University has defined hazing as "any action taken or situation created intentionally, on or off the University campus, by students or off-campus individuals to produce physical discomfort, embarrassment, harrassment, or ridicule." Any

student organization that is found in violation of this policy will be subject to a review of its continued functioning by the Vice President/Dean of Campus Life at which time appropriate action of the most serious kind will be taken.

Student organizations may develop more detailed statements on hazing which may be supported by the University.

ACTIVITIES GUIDELINES

The University has established certain guidelines for student organizations who sponsor social activities. Organization representatives may obtain a copy of "Guidelines for Student Organizations" in the Student Life Office, Room 217 of the Carlton Union Building.

STUDENT ORGANIZATIONS

On the following page is a list of officially recognized organizations for the 1991-92 academic year. Each student organization is responsible for registering a Charter Renewal Form with the Director of Student Life no later than October 1st of each year, declaring their intention to function for the current academic year. Organizations failing to do this will forfeit the right to use University facilities, receive University funds, and be represented in student publications such as the student newspaper and the yearbook.

1991-92 CAMPUS ORGANIZATIONS

SCHOLASTIC AND HONORARIES:

Alpha Kappa Delta (Sociology)
Alpha Kappa Psi (Business)
Beta Beta Beta (Biology)
Gamma Sigma Epsilon (Chemistry)
Kappa Delta Pi (Education)
Mortar Board (Leadership)
Omicron Delta Kappa (Leadership)
Phi Alpha Delta (Pre-Law)
*Phi Alpha Theta (History)
Phi Beta Kappa (Academic)
Phi Chi Theta (Business)
Phi Eta Sigma (Academic)
Pi Kappa Delta (Forensics)

*Circle K International
College Republicans
Delta Pi Alpha
Habitat for Humanity
Interfraternity Council
Judiciary Council
Mad Hatters Men's Glee Club
Stetson Commuter Association
*Youth Advocating Planetary Improvement

*Pending Charter Renewal

STUDENT ASSOCIATION

The principle avenue for student participation in University governance is through the Student Association (SA). The working bodies of the S.A. include the Student Senate, the Executive Cabinet, and the President. Representatives are appointed from every on-campus student organization at the same time as spring elections of major officers. In addition to providing input on university policies and lobbying for student concerns, S.A. elects student chairpersons for FOCUS, Greenfeather, Homecoming and Parents' Weekend and recommends students to sit on university committees.

All students are invited to S.A. meetings and to stop by the S.A. office in CUB Room 206.

STETSON UNION BOARD

The Stetson Union Board (SUB) is the student organization responsible for most of the student activities, services and entertainment on the campus. The Board consists of a president, vice president and representatives, all elected annually, and committee chairpersons who are appointed by the entire board. The committees include the following:

Concerts:

The Concert committee works to bring exciting performers to Rafters and Edmunds Center. This committee is in charge of the planning, promotion and presentation of these events. Some performances in the past have been Jay Leno, Survivor, Inn-o-vation, and Lewis Grizzard.

SUB Cinema:

This committee provides a weekly movie program for the enjoyment of students and other members of the campus community.

Happy Hours:

The SUB sponsors many "Happy Hours." These events usually follow a particular theme and include a variety of free food. Happy Hours are often presented in connection with other entertainment events.

Hatter Holiday:

Hatter Holiday is a week long extravaganza of events presented for the enjoyment of Stetson students and to raise money for the J. Ollie Edmunds Student Service Awards. This award recognizes students who have contributed a significant amount of volunteer service to the Stetson community.

Intercom:

This committee is responsible for the communication of the SUB's events to the campus. They make banners, posters, weekly publications and contribute articles for the *Reporter*.

Rafters:

"Rafters" is Stetson's night-club. It offers students a place for dancing, hearing live bands, playing video games or pool, and just having fun. This committee manages the operation of the club.

Stetson Outdoor Club:

The Stetson Outdoor Club (SOC) offers students many opportunities to experience the outdoors. Some trips offered are canoeing, hiking, and camping. SOC also provides seminars on outdoor life and first-aid instruction.

Special Events:

The Special Events committee sponsors unique activities for students such as Sea Escape Cruise, Busch Gardens, Disney Trips, Hatter Night Outs, and many more! Any "special event" that comes up during the year - like auditions for MTV's Remote Control game show, are also handled by the committee.

The SUB Office is located in the lobby of the CUB, Room 100, and any student may attend meetings held every Monday night at 6:30 p.m.

FOCUS - "Friends on Campus":

The Orientation Program is the responsibility of the Office of Student Life. The FOCUS Committee is chaired by students who lead in the planning of the program designed to help new students become acquainted with the University. In addition to the orientation activities, each new student is assigned a FOCUS Advisor, an upperclass student who assists the students in their academic planning and social adjustment at Stetson. The FOCUS staff is selected each spring to serve for the following year.

Greenfeather:

Every fall, Stetson students have their own community fund drive. "Greenfeather Week" involves many students who raise funds by participating in variety shows, art festivals, flea market sales, and many other activities climaxed by a gala Carnival at the end of the week. Annually students raise over thirty thousand dollars to share with the United Fund of Volusia County and with other worthy organizations in the community.

Homecoming:

Homecoming provides a program which students as well as returning alumni can enjoy. It is traditional to bring to the Edmunds Activities Center some outstanding entertainment, in addition to the Homecoming basketball game and various activities where old friends can renew acquaintances and meet present students.

Parents' Weekend:

Each year over 300 families come from all parts of the country to participate in the weekend activities. Emphasis is placed upon providing opportunities for parents to meet and visit with faculty and administration and "to become acquainted" with the campus.

ADDITIONAL STUDENT SERVICES

COUNSELING AND TESTING SERVICES

The Counseling Center is located 100 yards south of the duPont-Ball Library and offers a variety of services to Stetson University students. Some of these services are personal counseling (which does not become a part of the student's University record), group counseling, career and life planning, effective student techniques, testing programs (CLEP, SAT, ACT, GRE, LSAT, MAT, etc.), career testing and interpretation, availability of the *Discover* career assessment computer program, educational decision-making, peer educators, training in interpersonal relations and graduate study in Counseling (Marriage and Family, School Guidance, and Mental Health programs).

ARTISTS AND LECTURERS SERIES

The Artists and Lecturers Committee, composed of faculty and students, brings to the campus outstanding speakers and performers in the arts, letters and sciences. The series supplements those areas of the University curriculum that are already strong and adds variety by bringing programs in those areas not represented on our campus.

INTERCOLLEGIATE ATHLETICS

Stetson University is proud of its history and tradition in the area of intercollegiate athletics. Hatter basketball and baseball teams play national schedules and have achieved ranking as major powers. Other collegiate teams for men are soccer, golf, tennis, and cross country. Intercollegiate teams for women are basketball, volleyball, tennis, softball, golf, and cross country. Stetson is a member of the National Collegiate Athletic Association and both men's and women's teams compete on a Division I level. Men's and women's teams also play in the Trans American Athletic Conference.

Students are admitted free to any sports event upon presentation of a Stetson ID.

Sports Equipment:

All sports equipment may be checked out from the equipment room located in the lower level, west end, of Edmunds Center. The room is open during scheduled Edmunds Center hours. All sports equipment must be returned the day it is checked out. Special arrangements must be made for weekend or overnight checkouts.

There will be a charge made to students who fail to return equipment on time, or for lost or broken equipment.

Facilities:

- 1 soccer field
- 2 multipurpose fields
 - 3 football
 - 3 softball
- 5 volleyball courts
- 1 multipurpose area
 - 4 tennis courts
- 2 horseshoe courts
- 6 tennis courts
- 1 tennis beat wall
- 6 racquetball courts
- 1 swimming pool
 - 25 yards x 25 yards
- 6 basketball half courts

Edmunds Center:

- 2 basketball courts
- 2 volleyball courts
- 3 badminton courts
- 1 weight room
- 1 training room
- Dressing facilities:
 - Men - lower level
 - Women - second level

Cummings Gym

- Gymnastic area
- 1 basketball court
- 1 basketball court or
- 1 multipurpose area
- 1 volleyball court

The gymnasium, playing fields, and tennis courts are open for student recreation at any time a class or a scheduled school activity is not going on in that particular area. Edmunds Center hours are from 11:00 a.m. to 10:00 p.m., Monday through Friday, and 1:00 p.m. to 6:00 p.m., Saturday and Sunday. Only rubbersoled gym or tennis shoes are permitted on the gym floor or tennis courts.

BOOKSTORE/CHECK CASHING

The University Bookstore, adjacent to the Carlton Union Building, is where textbooks, stationery supplies and convenience items are sold. The store also carries Stetson memorabilia and sportswear. Newly purchased textbooks may be returned with sales receipt for a full refund during the first three weeks of Fall and Spring semesters, and during the first week of Winter Term and Summer Semester. The University Bookstore will also place special orders for books that are not stocked by the store.

Bookstore Hours

Fall/Spring Semesters:

- Monday (only) 8:00 a.m.-6:00 p.m.
- Tuesday-Friday 8:00 a.m.-4:30 p.m.
- Saturday 9:00 a.m.-12:00 noon

Exception: During "Rush Week", the Bookstore will be open evenings until 7:00 p.m.

Summer Semester and Winter Term:

- Monday-Friday 8:00 a.m.-4:30 p.m.

Check cashing: Students may cash personal checks up to \$50.00 at the cashier's station at the Bookstore. Only one check per day may be cashed and a student ID is required. No two-party checks will be accepted. There will be a twenty-five cent (\$0.25) check cashing fee.

It is recommended that students set up a local checking or savings account as opposed to maintaining out-of-state accounts. Several banks are located within walking distance of the campus.

FOOD SERVICE

The food service at Stetson is under contract with Morrison, Inc. Freshmen and sophomores in the residence halls are required to purchase a 21-meals-per-week plan or a 15-meals-per-week plan, whichever they choose. There is no requirement for juniors and seniors, although many continue with the food service. Juniors, seniors and commuting students may also select a 7- or 11-meal plan. Meals are served in the "Commons" and there are unlimited seconds on most items, unlimited beverages, an open salad bar, and a deli line. Students also have the option of eating a specified number of meals at the Hat Rack, the University sandwich shop.

The Food Service also caters many functions including student organizations' events. Menus and prices may be obtained through the Catering Office on the second floor of the Carlton Union Building.

Hat Rack Hours

Monday-Saturday	8:00 a.m.-1:00 a.m.
Sunday	12:00 noon-1:00 a.m.

Commons Hours

Breakfast M-F	7:00 a.m.-9:30 a.m.
Lunch M-F	11:00 a.m.-1:30 p.m.
Dinner M-Th	4:00 p.m.-6:30 p.m.
Friday dinner	4:00 p.m.-6:00 p.m.

Commons Weekend Hours

Saturday:

Breakfast	10:00 a.m.-11:00 a.m.
Lunch	11:30 a.m.- 1:15 p.m.
Dinner	4:00 p.m.- 6:00 p.m.

Sunday:

Breakfast	8:30 a.m.-9:30 a.m.
Lunch	11:30 a.m.-2:00 p.m.
Dinner	4:00 p.m.-6:30 p.m.

HOLLIS LEADERSHIP DEVELOPMENT PROGRAM

The purpose of the Hollis Leadership Development Program (HLDP) is to foster the awareness, study and practice of leadership by all members of the Stetson community.

The HLDP consists of three courses for credit and a broad range of co-curricular programs and projects. The on-campus courses available now are Leadership 275 (Fall), 198 (Winter), and 376 (Spring). An international

summer internship in foreign countries is also offered on a competitive basis. Some co-curricular projects include assisting local nonprofit agencies, workshops for personal leadership development, youth motivators, a mentorship program, Woodrow Wilson Visiting Fellows, and grants to encourage individual leadership-related projects. For more information, contact Dr. Robert Leahy, Chair, HLDP, in Room 127, Flagler Hall.

PRINT SHOP

The Print Shop, located behind DeLand Hall, is available to all Stetson students for the copying of theses and term papers.

This service is available to all campus organizations for stationery, programs, resumes, brochures and notices. It is recommended to check with the Print Shop first about sizes, margins, pictures, layout and turn-around time for printing delivery.

Hours are from 8:00 a.m.-12:00 noon, and 1:00 p.m. to 4:30 p.m. during the school year.

Typesetting is provided by an off-campus vendor. Arrangements can be made by contacting Business Services.

POST OFFICE

The Stetson Post Office, adjacent to the Hat Rack Patio, serves both commuter and residential students. When a student is assigned a box and combination, it becomes his/her official University address. If packages are sent to your box, you will receive a notice and can pick up during post office hours.

Post Office Hours:

Monday-Friday 8:30 a.m.-3:30 p.m.

Saturday No window service

Mail posted by 11:00 a.m.

RELIGIOUS ACTIVITIES

Activities of student religious centers are coordinated by the Religious Life Council (RLC). The RLC is composed of three representatives from each of the chartered religious organizations on campus: Baptist Campus Ministry (BCM), Catholic Campus Ministry (CCM), Canterbury (Episcopal) House, Wesley (Methodist) House, Westminster (Presbyterian Fellowship), Fellowship of Christian Athletes, Intervarsity, and the Student Ministerial Association. The RLC coordinates student religious life programs and emphasis at Stetson. Recent RLC programs have included a faculty/student retreat with President Lee and faculty members addressing the questions, "What is a Christian University?", Oxfam fast for world hunger in November, Yule Log Lighting in December, a ropes course retreat in the spring, a dramatic performance by Ragan Courtney, and concerts by "Truth."

Among the many noteworthy religious programs scheduled by the University during the year are the Fall Preaching Series held in September, the lectures in Christian Theology held in February, and the annual Pastor's School which bring many outstanding theologians to our campus. All members of the University Community are encouraged to participate in the interdenominational chapel service held in Elizabeth Hall each Wednesday morning at 10:00 a.m. A variety of worship experiences is planned by the Dean of the Chapel, involving students, faculty and administrators. In addition to on-campus activities, students are encouraged to become involved in the church of their choice in the DeLand community.

STUDENT I.D. CARD

A student registered for classes is issued a Stetson identification card. This ID card also serves as a student activity card and must be used to gain admission to university-sponsored activities. It also serves as a library card and a meal ticket for boarding students. Should the student have to leave the University for any reason during the year, the card is turned in at the Food Service Office. Lost ID cards are replaced at a nominal fee.

FINANCIAL SERVICES

The Office of Student Financial Planning at Stetson University is committed to seeing that no individual who qualifies for financial assistance is denied an opportunity to attend for economic reasons. To that end, various types of assistance programs, including grants, reduced-interest loans, and on-campus employment are made available to those who qualify.

Eligibility for assistance is based primarily on financial "need." This is determined by means of the Family Financial Statement, which helps to measure each family's financial strength and their ability to meet college costs. After the student's "need" is established, he/she is offered a student assistance "package" which may include one or more financial assistance programs. Students must reapply each year for consideration; application materials are made available each January for the coming academic year.

Students with questions or concerns regarding their financial assistance, or who experience a significant change in family circumstances, should stop by the Office of Financial Planning (located in Griffith Hall). Students will receive every consideration allowable, consistent with program regulations.

STUDENT ACCOUNTS

Advance Fees

All applicants, except auditors, are charged a one-time non-refundable enrollment fee of \$400 which will be credited to the student's account.

Tuition and Fees

For the College of Arts and Sciences, the School of Music, and the School of Business Administration, see the insert in front of the *Bulletin*. For Summer Session charges, see the Summer Session brochure.

Meal Charges

Charges are for the full meal service, 21-meals-per-week. An optional 15-meals-per-week plan is available for all students, and a 7- or 11-meals-per-week plan may be purchased by juniors and seniors in residence halls as well as all commuting students. Resident freshmen and sophomores must purchase meal tickets. The University reserves the right to adjust prices on meal plans at the beginning of each term. A \$10.00 charge is made for each meal ticket lost. Changes in meal plans can only be made at the beginning of each semester.

Special Charges

New students pay a one-time orientation fee of \$30.00. For graduate students, there is a \$35.00 graduation fee; where applicable, there is a fee of \$36.00 for binding three copies of the thesis, and a fee of \$12.00 for each additional copy bound. There is also a General University annual fee of \$385.00 and a Student Activity fee of \$25.00 covering all fulltime undergraduate students.

Student Billing

Students taking eight or more credit hours in the fall and spring semesters will be billed on an annual basis for the school year. Half of this bill must be paid before, and no later than, the date of registration for the Fall semester. The remaining half must be paid no later than the date of Winter Term registration. Students who take seven or fewer credit hours in the Fall and Spring semesters will be billed each semester, as will graduate and post-graduate students. The full amount of this bill must be paid before registration. Registration is complete only when all charges have been paid.

Any arrangements for deferred payments must be established before registration, through one of several tuition financing agencies. If necessary, write the University Comptroller for detailed information and contract forms.

Student Withdrawal and Drop Refunds

A student withdrawing during the first seven weeks of a semester will receive a pro-rated tuition refund as follows: during the first week, 90 percent; up to and including two weeks, 80 percent; between two and three weeks, 60 percent; and between five and seven weeks, five percent. After seven weeks of a semester, no refunds will be made, except for severe illness or other emergency. In the Summer or Winter terms, students who withdraw within the first full week will receive a refund of 50 percent. After one week, no refunds will be made, except in unusual cases as explained above. One-half of the Winter Term tuition, room, and board is charged each student who withdraws at the end of Fall semester, except students who graduate at that time.

All students must attend Winter Term. Students who vacate the residence halls after registration will receive a refund minus a one-hundred dollar (\$100.00) charge plus five dollars (\$5.00) per day of occupancy if they withdraw before the end of ten (10) class days. No refunds shall be issued for a student after this period. Meal ticket charges are refunded on a pro-rated basis for the period after the withdrawal date up to three weeks into the semester, after which all refunds for meal tickets are subject to a 50 percent fee. Courses dropped during the first week of the semester are given a

100 percent refund. No refund after the first is permitted. No adjustments - other than those described in this paragraph - are made for any fees.

PUBLIC SAFETY AND TRAFFIC

The Department of Public Safety is located at 405 N. Amelia Avenue. The department is comprised of a full-time staff and student guards. The mission of the Department of Public Safety is threefold. The first concern is the protection of all persons associated with the University. Second, the Department is responsible for the protection of all campus buildings and property. Finally, the department is responsible for the enforcement of all traffic regulations. Inherent in this mission statement are services and educational programs designed to fulfill the safety needs of the campus community.

Services:

Emergency Phones - There are eleven emergency telephones at strategic locations around campus. They can be recognized by the blue light on top. Simply press the button and tell us your emergency. We will automatically know your location. This button activates two-way communication for three minutes.

Vehicles - The Public Safety Office has a set of jumper cables that can be loaned out on a short-term basis if your vehicle has a dead battery. A current student ID must be left with the dispatcher on duty while you are using the cables. If you lock your keys in your vehicle or your vehicle needs to be towed, this office can assist you with the name and number of a local locksmith and/or towing company. "Slim-jims" are not used as a means to enter a vehicle, due to the possible damage that may occur to your vehicle.

Escorts - Public Safety provides an escort service that operates 24-hours a day. A public safety officer will accompany you to your destination. You may call for escort service at ext. 7300.

Lost and Found - Public Safety serves as the central lost and found for the campus. All items are kept for 90 days.

Traffic Regulations:

All faculty, staff, and students (full-time, part-time, day and evening), who wish to operate a vehicle on the Stetson University DeLand campus, must register that vehicle with the Traffic Department. **Those vehicles brought to Stetson must be registered within five business days from the day they are brought to campus.** Failure to register a vehicle within five business days will result in a non-registration citation. An accumulation of three non-registration citations will result in the immobilization of the vehicle. Vehicles include, but are not limited to: automobiles, vans, trucks, motorcycles, and mopeds.

For the complete rules and regulations governing parking and traffic regulations, please refer to the "Parking and Traffic Regulations" handbook for 1991-92 which you will receive when you register your vehicle.

GENERAL UNIVERSITY POLICIES

ADMINISTRATIVE RECORDS

There are a number of offices on campus where student records are housed.

- (1) **OFFICIAL ACADEMIC RECORDS** - All records pertaining to academic information such as grades, transcripts, etc., are housed in the Registrar's Office.
- (2) **PERSONAL RECORDS** - The official personal file is housed in the Office of Campus Life. Letters of recommendation, personal letters, judicial information, and a running account of the student's life at Stetson are contained in these files.
- (3) **MEDICAL RECORDS** - All health forms and medical records are housed in the Student Health Service.
- (4) **PLACEMENT RECORDS** - Students are urged to begin a placement file during their freshman year. These records are housed in the Career Services office.
- (5) **COUNSELING AND TESTING** - Records which contain test scores and information of a counseling and guidance nature are housed in the Counseling Center.
- (6) **FINANCIAL AID** - Students receiving financial aid have a file which is housed in the Financial Aid Office.
- (7) **STUDENT ACCOUNTS** - Information concerning each student's financial account with the University is housed in the Student Accounts Office.

BUCKLEY AMENDMENT

Congress has approved and the President has signed into law the Family Educational Rights and Privacy Act of 1974, informally known as "The Buckley Amendment." The objective of the Act is to provide students and parents greater access to and control over information contained in educational records. Every institution receiving federal funds of any type must comply with the law. The law stipulates that each institution is responsible for making its students aware of the law and its various ramifications.

DEFINITION OF STUDENT - A student is one currently enrolled or who has previously enrolled.

DEFINITION OF RECORD - Within 45 days of receiving a request, colleges must allow students to inspect their "educational records" which are defined broadly to include "records, files, documents, and other material which (1) contain information directly related to a single student; and (2) are maintained by a college or by a person acting for a college."

FINANCIAL FORMS AND CONFIDENTIAL LETTERS - Students are not guaranteed access to financial information furnished in the past or future by their parents, nor to confidential letters of evaluation which have found their way into records prior to January 1, 1975. As to such letters received after 1975, the law allows the student to waive his right of access if the letters have to do with admission, employment or honors, if the letters are used only for those purposes and if the student is told, on his request, the

names of all letter writers. No students or applicant may be required to execute a waiver; but an unsuccessful applicant, waiver or no, has no right to inspect all or any of the file accumulated in his case.

WHAT IS NOT A RECORD - FERPA II defines certain other material as falling outside the definition of "educational records" and thus not (so far as Federal law is concerned) open to inspection by parents or students. Such materials are: a) the records about students made by teachers and administrators for their own use and not shown to others; b) campus police records, under certain circumstances; c) employment records for college employees who are not current students; d) records about college students or those over 17 years old "created or maintained by a physician, psychiatrist, psychologist, or other recognized professional or para-professional" acting or assisting in such capacity, for treatment purposes, and which are available only to persons providing such treatment.

PROCEDURES FOR CHALLENGE OF RECORDS

Section 1. When any material is placed in the educational records (as defined by FERPA II) that makes an unfavorable statement about him, the student shall be notified of the filing within one week of the action. It is understood that the regular grade report is considered adequate notification.

Section 2. Upon notification of the placement of unfavorable material in educational records, the student shall be informed of his right to challenge the content of the material or the placement of the material. Moreover, the student shall be informed of his ultimate right to place documents on his behalf with the educational records challenged.

Section 3. The Challenge Board for hearings upon objections to the filing of materials in educational records shall consist of two administrators, two faculty members, and two students chosen by the University President. No member of the Challenge Board may have any direct or indirect interest in the outcome of the hearing.

Section 4. The Challenge Board shall adhere to the procedures utilized by administrative disciplinary boards so long as they are not inconsistent with the provision of Title 45 Code of Federal Regulations Section 99.21.

What Kinds of Information About a Student May be Released, To Whom, and Under What Conditions?

DIRECTORY INFORMATION - Such information may be unconditionally released to the whole world, without the consent of the student, unless the student has specifically asked that his prior consent be obtained. "Directory Information" includes a student's name, campus and home address, and telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most previous educational institution attended by the student.

ACCESS WITHOUT STUDENT CONSENT - FERPA II expands the list of people who may have access to a student's actual record (or to receive personally identifiable information contained therein) without a student's consent.

Teachers, administrators and the like (in the same institution) may look at the record if they have a "legitimate educational interest."

Colleges may transfer information: a) to other educational institutions in which the student intends "or seeks" (new) to enroll (though the students must be given a copy of the record, if he wishes, and an opportunity to challenge it); b) to enumerated public officials (like the Comptroller General of the United States); c) "in connection with a student's application for, or receipt of, financial aid."

Five new categories of recipients are: 1) state and local officials to whom state law in effect on November 19, 1974, required information to be reported. This presumably was added in recognition of the common statutory requirement that certain kinds of infectious diseases, gun-shot wounds, and the like be reported to public authorities; 2) organizations like ETS and CEEB in connection with "developing, validating, or administering predictive tests, administering student aid programs, and improving instruction," but such organizations must not show the personally identifiable information to outsiders and must ultimately destroy it; 3) "accrediting organizations in order to carry out their accrediting functions,"; 4) parents of a student who is a dependent for income tax purposes (the HEW regulations, when issued, should make clear when a college may reasonably assume that a student is an income tax dependent); 5) "appropriate persons" in the case of health and safety emergencies, with the details left for enunciation in NEW regulation.

Other than in the exceptions just listed, or in the case of directory information or in responding to judicial process, a college may not release "personally identifiable information in education records" or allow anyone access to those records, unless the student has given his written consent "specifying records to be released, the reasons for such release, and to whom," and a copy of the released records is furnished the student.

JUDICIAL PROCESS - If the college is responding to a court order or subpoena, it is under no requirement to give a student a copy of the materials furnished, but it must notify him "of all such orders or subpoenas in advance of compliance therewith." It is to be presumed that the HEW regulations will require only reasonable notification efforts by a college before the due date of a subpoena.

CUSTODIANS OF RECORDS - Your records at Stetson are found in the Office of Campus Life and in the Registrar's Office. If you wish to examine your records in either of these offices, make an appointment to do so.

RELEASE OF INFORMATION - If you are not claimed by your parents as a dependent for tax purposes and do not want your grades sent to them, you need to come by the Office of Campus Life to execute the necessary forms. Likewise, if you do not want "Directory Information" release, you should come by the Office of Campus Life and execute the necessary forms.

If you do not wish any organization to which you belong, such as a fraternity of sorority, to have access to your grades, it is necessary for you to sign a statement to this effect in the Office of Campus Life.

If you need further information concerning the Family Educational Rights and Privacy Act, please feel free to come by the Office of Campus Life for assistance.

ADVERTISING

All material used for the purpose of advertisement, announcement, or solicitation shall be placed only on Stetson University's official bulletin boards with the exception of Fraternity Row, the interior of the Commons building, and the interior of the residence halls. No materials shall be placed on trees or any of the educational or administrative buildings. Exceptions to this policy will be made during Homecoming, Parents' Weekend, Hatter Holiday and FOCUS.

All items must bear the name of the sponsoring organization or student, and must be removed by the sponsor 48 hours after the advertised event. Any non-student must receive prior approval from the Dean of Campus Life prior to posting materials.

Failure by the individual to comply with these rules could result in the following consequences:

1st violation - Reprimand

2nd violation - \$10.00 fine and/or loss of advertising privileges

3rd violation - \$20.00 fine and/or loss of advertising privileges and/or disciplinary action by the Dean of Campus Life

Failure by an organization to comply with these rules could result in the following consequences:

1st violation - Reprimand

2nd violation - \$25.00 fine and/or loss of advertising privileges

3rd violation - \$50.00 fine and/or loss of advertising privileges and/or disciplinary action by the Dean of Campus Life

Enforcement of this policy is the responsibility of the Student Association Cabinet and the professional staff of the Division of Campus Life. The severity of a violation will be determined by members of the Campus Life staff and a senator from S.A. at a meeting where the violator of the policy shall be present.

ALCOHOLIC BEVERAGES AND ILLICIT DRUGS

Alcohol abuse is a major social and health problem in American culture. Academic communities like Stetson University are not exempt from this problem and its disturbing effects. Indeed, many experts agree that alcohol is the number one problem on campuses today. Alcohol abuse is a barrier to the academic and personal development of students essential to the fulfillment of the purposes of the University and therefore has no place in the University environment. Alcohol use and abuse by students has a primarily negative impact on academic progress and personal growth during the college years.

Stetson University students are to comply with the laws of the state of Florida regarding the use of alcoholic beverages and with the University policy.

Florida State Law. It is illegal in Florida for any person under the age of 21 to possess any alcoholic beverage with the intent to consume the beverage. It is illegal in Florida for alcoholic beverages to be made available, by sale or otherwise, to anyone under 21 years of age or to anyone who is visibly intoxicated.

- are aimed at coercing an unwilling person into a sexual relationship; or
- make submission to or rejection of such conduct the basis for employment or academic decisions affecting the individual; or
- unreasonably interfere with the individual's work or academic performance for work or learning by creating an intimidating, hostile, or offensive environment for work or learning.

Acts of sexual harassment may include, but are not limited to:

- sexual battery
- requesting sexual favors accompanied by implied or overt threats concerning one's job, grade, letter of recommendation, etc.
- verbal harassment or abuse of a sexual nature
- physical contact such as patting, pinching, or unnecessary touching
- subtle pressure for sexual activity
- sexist remarks or gestures regarding a person's body, clothing or sexual activities

If you feel that you are being sexually harassed you are encouraged to seek help. As a first step, contact either the Assistant Dean of Campus Life, Nancy Jones, or a member of the Sexual Harassment Grievance Council. Your discussion will be strictly confidential and does not commit you to further action. However, should you decide to pursue the matter, you may follow either an informal or formal procedure. The informal procedure helps the victim communicate effectively with the harasser. The formal procedure deals with harassment which persists in spite of efforts to resolve the problem. **For more information consult the Sexual Harassment pamphlet available in most campus offices.**

POLICY ON SMOKING

Medical evidence clearly shows that smoking is harmful to the health of smokers. Smoke from cigarettes, cigars, and pipes is also an irritant to many nonsmokers and can worsen allergic conditions. In sufficient concentrations second-hand smoke may be harmful to those with chronic heart or lung disease. New research indicates that long-term exposure to second-hand smoke may seriously threaten the health of nonsmokers.

In an effort to consider the needs and concerns of smokers and non-smokers alike and to provide a healthful working environment for every Stetson University student and employee, the following university smoking policy is in effect. All university students, employees and visitors are expected to comply with the smoking regulations detailed in this policy.

SMOKING-PROHIBITED AREAS

- Any area in which a fire or safety hazard exists.
- Common areas, including elevators, hallways, stairwells, lobbies, waiting rooms, copier rooms, mail rooms, auditoriums, reception areas, student service areas, employee lounges, and restrooms.
- Classrooms and conference rooms (a short smoking break may be provided during meetings lasting longer than one hour if requested).
- General open or public office areas.
- Computer and storage areas.

- All other locations not specifically discussed in the section below entitled "Other Areas."

OTHER AREAS

- Private offices may be designated "smoking permitted" or "no smoking" by the occupant. However, the occupant should refrain from smoking when a nonsmoking student, employee or visitor is present.
- In areas where smokers and nonsmokers work together, supervisors should make a reasonable effort to separate smokers from nonsmokers. In doing so, supervisors should take into consideration air flow, ventilation, existing physical barriers that might be of help, and individual sensitivities of nonsmokers.
- Students and/or employees will refrain from smoking when in university vehicles with nonsmokers.

STUDENT EMPLOYMENT GRIEVANCE PROCEDURE

Student employment is administered by the Student Employment Coordinator which is part of the Student Financial Planning office. Students are vital to the operation of the University and are employed in almost every department. A satisfactory record in work is expected of all student employees. Violations of the normally accepted standards of performance will be addressed by supervisors in respective departments. Students who have difficulties relating to their campus employment should address the matter with their supervisor. Problems that cannot be worked out in verbal discussion with the supervisor should be submitted in writing to the supervisor. In the event that resolution of the issue does not occur at this point, students may initiate formal grievance procedures by submitting their concerns in writing to the Student Employment Coordinator who will then schedule an appointment with the student.

STUDENT CODE OF CONDUCT

STATEMENT OF RESPONSIBILITY

There have been several court decisions defining the relationship between students and institutions of higher learning. The contractual theory is probably the most prevalent and accepted relationship which presently exists among private institutions. This theory holds that students agree to abide by rules, regulations, and standards set down and published by the university. In return the university will offer a degree to those who meet the established standards. The contractual theory is well accepted by the courts in cases involving private institutions. While it is the philosophy of Stetson to afford students all aspects of due process, the University does reserve the right to withdraw a student at any time for any reason deemed sufficient by the University.

Since the University is not equipped to rehabilitate persons who pose a substantial threat to themselves or others, it may be necessary to remove those individuals from the campus and to sever the institutional relationship.

ACADEMIC HONESTY

Academic honesty and integrity are essential to the well-being and proper functioning of an academic community. Any time students attempt to gain access to information pertaining to their normal course of study through dishonest means, they not only show little concern for their own personal sense of integrity, but they infringe on the rights of all other members of the academic community. For this reason, the following academic regulations exist:

1. No student shall receive or attempt to receive information from another person about normal course work that is intended to be done on an individual basis, either in class or out of class.
2. No other person shall ever knowingly give such information to another person.
3. Almost every student has heard the term "plagiarism." In starkest terms, plagiarism is stealing - using the words or ideas of another as if they were one's own. The major problem lies with unintentional plagiarism. If, for example, another's complete sentence, syntax, key words, or even only the ideas and information are used, one must give that person credit through proper documentation or recognition, as through the use of footnotes.
4. No student shall obtain or attempt to obtain in any deceptive or unauthorized manner information or documents such as tests, examinations, roll books, reports, etc., that are considered to be the confidential or private property of other students, faculty, administrative personnel, or of the University.
5. The following policies will cover acts of dishonesty:
 - A) On the first occurrence in any course, the minimum penalty will be a zero on the paper, test, or examination. The maximum

penalty will be failure in the course. Within these limits, the instructor will confer with the accused student and inform him or her as to what specific penalty the instructor intends to impose.

- B) A report of each occurrence will be sent to the Associate Dean of Campus Life and to the appropriate academic Dean to become a part of the student's record.
- C) Upon receipt of a report of a second occurrence in any course by the same student, the Associate Dean of Campus Life will initiate appropriate disciplinary action.
- D) Administrative disciplinary action for academic dishonesty is not to be considered in any way a substitute for an academic penalty imposed by the instructor for the same offense.

JUDICIARY COUNCIL

The University Judiciary Council serves as a link between the University Administration and the students. The Judiciary Council is one of three options a student has when university regulations are violated. Any student's violation of University Regulations will be brought before the Council for adjudication. The Council, in adjudicating each case, tries to develop a sense of responsibility and high standard of conduct in each Stetson student as a corollary to its judicial function.

The Judiciary Council consists of two sophomores, four juniors, and six seniors, making a total of twelve members in all. One sophomore, two juniors, and three seniors will be female, while the corresponding number will be men. Students maintain their position on the Council until expected graduation from the University. Elections to the Council are held every spring under the rules of the Council Constitution. No more than three members of any recognized student group may be members of the University Judiciary Council at one time.

CODE OF CONDUCT

Students are subject to state and federal laws and ordinances as well as regulations prescribed by Stetson University. The breach or violation of any of these laws or regulations may result in disciplinary action.

When a student's behavior either on or off campus interferes with the rights of others or reflects adversely on the University, the student may be subject to disciplinary action.

When a student is involved in an offense resulting in a criminal conviction, the circumstances of the case may be reviewed by the Dean of Campus Life to determine the status of the student.

In cases of extreme emergency, when the welfare of the individual or the University indicates the necessity of prompt decision, immediate administrative action may be taken.

Ultimately, it is the responsibility of the Student Judiciary Council and/or Associate Dean of Campus Life to determine a violation of the Student Code of Conduct.

A. **STUDENT OFFICE HOLDERS** - This policy pertains to all Stetson students, social, service, and specialty organizations that are recognized by the University and have in their organizational structure elected and/or appointed student offices or positions, with terms of more than one semester. This includes the Committee.

1. No student on either academic or disciplinary probation may be elected or appointed to an office or position during the time of the probation.
2. Any student who, while holding an office or position, is placed on academic or disciplinary probation shall be required to resign that position.
3. This policy does not preclude the possibility of an individual organization exceeding these minimum standards as outlined.

B. **GREEK MEMBERSHIP ELIGIBILITY**

1. In order to pledge a sorority or fraternity, an upperclass student must have earned a cumulative G.P.A. of 2.00 for all academic work completed at Stetson at the time of pledging. Individual chapters may exceed these minimum standards.
2. In order to qualify for initiation, a student must have earned a cumulative G.P.A. of 2.00 for all academic work completed at Stetson at the time of initiation. Individual chapters may exceed these minimum standards.

C. **STUDENT CONDUCT**

1. **ALCOHOLIC BEVERAGES AND OTHER DRUGS** - The possession or use of alcoholic beverages is not permitted on the University campus. Students must be aware of pertinent Florida Statutes regarding age restrictions in this regard. The unlawful use, possession, or provision to others of other drugs and related paraphernalia not prescribed by a physician similarly is prohibited.
2. **AUTOMOBILES** - All students operating automobiles or other motorized vehicles on the University campus must register these vehicles with the Traffic Office in the Department of Public Safety. Implicit in such registration is the knowledge of governing traffic and parking regulations, together with the obligation to adhere to these regulations.
3. **DISRUPTIVE BEHAVIOR** - Any behavior by a student which disrupts the academic, administrative or residential community, infringes on the rights of others in the community, corrupts the generally accepted sense of public decency and morals within the community, or affects the due peace and quiet of other persons who may witness such behavior, shall not be tolerated on the University campus. It shall be the responsibility of the Associate Dean of Campus Life to determine those behaviors which may be included under these provisions.
4. **FIRE, HEALTH, AND BUILDING SAFETY** - The unauthorized or improper handling or tampering with any equipment or fixtures used for the purpose of fire, health, or building safety is prohibited.

5. **FIREARMS, FIREWORKS, OR EXPLOSIVES** - No firearms, fireworks, explosives or explosive devices shall be maintained on the University campus except as may be specifically authorized by the Director of Public Safety.
6. **PERSONAL INTEGRITY** - All acts of dishonesty, misrepresentation, falsification of records, and lewd or obscene conduct such as verbal or nonverbal abuse, exhibitionism or other sexual misconduct, the possession of pornographic materials, which violate generally accepted community standards shall be prohibited on the University campus. Further, acts of academic dishonesty following review of previous incidents by the faculty shall be included in these provisions.
7. **VIOLATION OF CIVIL OR CRIMINAL LAW** - Any violation of civil or criminal statutes either on or off campus may be adjudicated under the University Student Code of Conduct.
8. **PROPERTY DAMAGE** - The malicious or unwarranted damage to or the destruction of property belonging to the University or to any member of the University community is prohibited.
9. **THEFT** - The taking or misappropriation of property belonging to the University or to any member of the University community is prohibited.
10. **UNIVERSITY FACILITIES** - Entry into University buildings or facilities at times other than their normal or posted hours of operation is prohibited. Similarly, locked or secured buildings or facilities shall not be entered without prior authorization from the appropriate University official.
11. **RESIDENTIAL POLICIES** - All policies and procedures contained in the Residence Hall section of this Handbook shall have the force of University regulations. Any violations thereof shall be administered under this Student Code of Conduct following review by the appropriate Division of Campus Life staff.
12. **STUDENT EMPLOYEES** - Any actions which serve to interfere with, impede, or harass students in the performance of their duties as employees of the University shall not be tolerated. These employees include but are not limited to residential and public safety staff.

D. ADJUDICATION PROCESS

A student who is alleged to have violated University regulations has the option of having the matter adjudicated by either the Student Judicial Officer (the Associate Dean of Campus Life); an administrative hearing composed of one faculty member, one student member of the Judiciary Council, and the Student Judicial Officer; or a hearing by the Judiciary Council. In either instance, the student is afforded all opportunities for fairness in consideration of the matter.

Violations of University residence hall regulations are handled by the respective residence hall staff members and may be referred to the Student Judicial Officer if the seriousness of the violation warrants adjudication.

Violations of University regulations by officially recognized student organizations are handled by the Assistant Dean of Campus Life and individuals may be referred to the Associate Dean of Campus Life/Student Judicial Officer for adjudication.

Regardless of the disposition of any case, individual or group, the Dean of Campus Life must assume ultimate responsibility.

JUDICIAL PROCEDURES

I. GENERAL PROTOCOL PROCEDURES

- A. Any student, professional staff, or faculty may refer to the Student Judicial Officer (the Associate Dean of Campus Life) any student believed to be in violation of any University regulation concerned with personal behavior, academic honesty, traffic and security, or residence hall policy. The Student Judicial Officer shall secure all available information concerning the possible violation, including pertinent facts, evidence, statements, and names of witnesses.
- B. The Student Judicial Officer shall request that the student so referred meet with him for a conference at the earliest mutually convenient time to discuss the possible violation of University regulations. If the student fails to appear for the conference and the Student Judicial Officer has in good faith exhausted all reasonable efforts to schedule a conference, the Student Judicial Officer, on the basis of the information available, may make a determination of a violation of University regulations and may impose a sanction for such violation. This decision shall be accomplished in writing to the student.
- C. When the student attends the conference with the Student Judicial Officer, and before the conference begins, the student shall be informed that the conference is for the purpose of discussing a possible violation of University regulations. The student shall be afforded the opportunity to acknowledge in writing that the conference is as indicated and that the student shall:
 - 1. be afforded the opportunity to remain silent and not have that silence an inference of guilt;
 - 2. be given the opportunity to choose, in writing, to have the matter considered by either:
 - a. the Student Judicial Officer;
 - b. an administrative hearing consisting of one faculty member selected by the Student Judicial Officer, and one student member of the Judiciary Council selected by the President of the Council, and the Student Judicial Officer; or
 - c. a hearing by the Judiciary Council;

(The implications of the selection of either of the above procedures shall be clearly explained to the student by the Student Judicial Officer.)

3. be afforded the opportunity to have one Stetson University (DeLand campus) student who does not appear as a witness as an advisor during an administrative hearing or a Judiciary Council hearing, solely to advise the student on responses to questions but not to advocate the student's cause;
 4. be afforded the opportunity to present witnesses and information on behalf of the student;
 5. be informed that any oral or written statements the student may make pertaining to the possible violation may be presented in any subsequent proceeding;
 6. be afforded the opportunity to prepare a written statement concerning the possible violation;
 7. be afforded the opportunity to refrain from making a written statement;
 8. be informed that the student's academic, behavior, and co-curricular activities record may be presented as a part of any subsequent proceeding to consider the matter;
 9. be presumed not guilty until proven guilty;
 10. be assured that evidence which has been obtained only in compliance with University policies and procedures will be used in any subsequent proceeding to consider the matter;
 11. be afforded the opportunity to have only corroborated evidence used in any subsequent proceeding to consider the matter; and
 12. be afforded the opportunity to know all accusers and witnesses to a possible violation and to confront and question such accusers and witnesses in any subsequent proceeding to consider the matter.
- D. Once a student has been informed of the rights provided in C above, of the sanctions that could be imposed should a violation be determined to have occurred, and has knowingly and voluntarily accepted in writing the authority of the respective proceeding to consider the matter and to impose a sanction, the student shall have waived the right to have the matter considered at the original level by any of the alternative proceedings.
- E. The following sanctions may be imposed in any student judicial proceeding:

1. *Warning.* An oral or written statement that the behavior of the student was inappropriate but that it does not mean a permanent disciplinary record.
2. *Reprimand.* An oral or written expression of disapproval to the student for a violation of University regulations and for the implications of the violation to the student and to the University community.
3. *Disciplinary Probation.* A strong statement of disapproval to the student for a violation of University regulations and the imposition of a specified period of time (usually for a short duration) during which the student shall report as required to the Student Judicial Officer, and, further, shall be required to:
 - a. forfeit the privilege of representing the University in any intercollegiate event, competition, or other manner; or
 - b. forfeit the privilege of holding any elected or appointed student office or University community assignment; or
 - c. perform such reasonable civic or campus service, non-credit academic assignments, or other action which may be appropriate to the particular situation.

Any student who fails to adhere to the specified conditions of Disciplinary Probation shall be required to appear before the Student Judicial Officer for further consideration of the case and the sanctions imposed.

4. *Suspension.* Termination of the student's continued enrollment in the University and exclusion of the student from the University for a specified period of time. During the suspension, the student shall not be permitted to enroll in any courses by the University, either in residence or by correspondence, nor shall credit be given by the University for academic work taken at another institution.
5. *Expulsion.* Termination of the student's continued enrollment in the University and exclusion of the student from the University for an indefinite period of time, which in no instance shall be less than two calendar years from the date of the imposition of this sanction.
6. *Restitution.* Requirement to make compensation for damaged, lost, stolen, or destroyed property. The respective hearing authority shall set the amount and form of the restitution which shall not exceed the fair amount of damage, loss, theft, or destruction incurred. This action may be taken separately or in conjunction with other sanctions.
7. *Removal from University on-campus housing.* Immediate vacation of space in an on-campus residence facility (residence hall, fraternity or sorority house, or auxiliary unit) and

cancellation of the appropriate housing agreement. This action may be taken separately or in conjunction with other sanctions.

- F. The Student Judicial Officer shall make every effort to have student judicial matters considered as expeditiously as possible by either him, an administrative hearing, or a Judiciary Council hearing in order to remove any question of a student's continuance at the University. If the student withdraws from the University before having had the matter considered by one of the respective authorities, reentry may not occur until the matter is resolved.
- G. If the student elects to have the Student Judicial Officer consider the matter and, if found to have violated University regulations, impose a sanction, a conference hearing to do so shall be scheduled as expeditiously as possible, including the date of the initial conference, with the concurrence of the student. The findings and the sanction imposed by the Student Judicial Officer shall be made by an examination of the evidence and the statements offered by the student during the conference.
- H. If the student chooses to have the matter considered by an administrative hearing, the Student Judicial Officer shall schedule this hearing not less than three calendar days from the date of the written notification of the scheduling of the hearing. The findings shall be made by an examination of the evidence and the statements offered during the hearing. These hearings shall be recorded electronically, and the recording shall be maintained by the Student Judicial Officer.
- I. If the Student Judicial Officer determines that, on the basis of the conference with the student and the available information, a possible violation of University regulations has occurred, and the student elects to have the matter considered by the Judiciary Council, the Student Judicial Officer shall immediately make the referral to the Council. This shall be accomplished in writing from the Student Judicial Officer to the student, with a copy to the President of the Council.
- J. The Student Judicial Officer shall confer immediately with the President of the Council to arrange for a hearing by the Council on the possible violation of University regulations by the student. The President of the Council shall notify the student in writing of the date, time and place when the Council shall consider the possible violations. The hearing shall be scheduled not less than three calendar days after the date of the written notice for such hearing. A copy of the notice of the hearing shall be provided to the Student Judicial Officer.

- K. The decision of the Student Judicial Officer, an administrative hearing, or a Judiciary Council hearing may be appealed to the Dean of Campus Life within seven calendar days of the written advisement of the decision to the student. Such appeal shall be made in writing stating the basis on which the appeal is being made. The Dean of Campus Life either may vacate the decision or may alter the sanction among the alternatives indicated in E above. Further, the Dean may elect to decide based solely on the information contained in the written appeal or in a conference with the student and adviser or counsel to discuss the matter.
- L. The Council or an administrative hearing shall not be obligated to hear cases where the case was ready for adjudication in the last week of classes before final examinations of an academic term. In such instances, the Student Judicial Officer shall have authority to act in all cases.
- M. Violations of University regulations during the summer shall be considered only by the Student Judicial Officer or an administrative hearing.
- N. A suspended or expelled student may present to the Student Judicial Officer a request for readmission to the University at least three (3) weeks prior to the beginning of the semester for readmission.
- O. The status of any student who resumes studies at the University after suspension or expulsion shall be that of Disciplinary Probation for the first semester of reenrollment.

II. HEARINGS

- A. A quorum of the Judiciary Council to hear any case shall be two-thirds (2/3) of its voting membership, excluding members who have removed themselves from hearing any matter because of a conflict of interest with the student. The Council shall first make a decision concerning the guilt of the student regarding the specific violation. The Council then shall impose a just and appropriate sanction should the decision be guilty. In both instances, a vote of two-thirds (2/3) of those voting members present at the hearing shall be required.
- B. A student shall be allowed to have one Stetson University (DeLand campus) student as an adviser during a hearing before the Judiciary Council. The adviser shall be allowed to assist the student in the presentation of the case, to include the facts of evidence, the testimony offered, and the student's questions of and responses to the witnesses. The adviser may not speak for the student during questioning by members of the Judiciary Council. In answering a question, the student may seek assistance from the adviser.

- C. Judiciary Council hearings on a possible violation of University regulations by students shall be private. The Student Judicial Officer shall present the case of the University on such violation before the Council, including the calling of supporting witnesses. Further, the Student Judicial Officer shall advise the Council on the procedural conduct of the hearing.
- D. When more than one student is involved in the same case and charged with the same violation, the cases may be heard concurrently unless separate hearings are requested. The students shall be informed in advance by the Student Judicial Officer of the right to a separate hearing before proceeding.
- E. A student's prior record (legal or disciplinary) may not be used to substantiate guilt or innocence. However, this prior record may be considered in determining the appropriate sanction, only after a determination of innocence or guilt.
- F. The proceedings of the Judiciary Council hearing shall be recorded electronically, and the recording shall be maintained by the Student Judicial Officer.
- G. The Judiciary Council, the Student Judicial Officer, and the student shall have the right to present witnesses at a hearing. Students shall have the right to ask questions directly of all witnesses. Witnesses shall appear before hearings only during the offering of their own information and shall respond to direct questions from either the student or from those conducting the hearing.
- H. The Student Judicial Officer and the Judiciary Council shall have the authority to request any faculty, staff, or student of Stetson University to appear as a witness if they believe that such witness could provide useful information relative to the case under consideration. They may waive an appearance if an individual feels that appearing at a hearing might violate a professional relationship with the student who is the subject of that hearing. A witness who feels a need to be excused shall so indicate in advance of the hearing to the Student Judicial Officer.
- I. When a witness fails or refuses to appear, the appropriate hearing board shall decide whether or not to proceed on the basis of other evidence available. Written statements from absent witnesses shall be inadmissible. If the hearing board so desires, it may discontinue the hearing until the witness may appear and offer relevant information.
- J. A member of the Judiciary Council shall not participate as a Council member in a case in which that member appears as a witness, or in which the case being considered presents a conflict of interest.

- K. Any student or professional staff or faculty involved in the investigation or preparation of a case shall not sit in discussion or voting during deliberation or remain in the room during any breaks in the proceeding.
- L. The Judiciary Council shall not have the power to require sworn statements of students appearing before the Council or of witnesses for or against the student. Refusal of a student to make a statement or to answer any or all questions shall not by itself be a basis for a determination of guilt or innocence.

III. EVIDENCE

- A. Evidence or information presented must be clear and convincing to prove guilt. A record of civil or criminal arrest only shall not be considered sufficient for a determination of guilt.
- B. Evidence or information which is not corroborated shall not be admitted before hearings either in the presentations with the student and any witnesses or in the deliberation of the hearings. Such evidence not admissible in hearings shall be described as any evidence or information to which there either are no eyewitnesses or other similar direct knowledge thereof, or any information by an individual about what was told that person by a third party.
- C. Evidence obtained only in compliance with University policies and procedures shall be used in hearings.
- D. Evidence obtained from a room in University residence facilities shall be admitted into a hearing only if:
 - 1. the residence staff member was willingly admitted to the room by at least one (1) of the occupants of the room; or
 - 2. a residence staff member had prior written permission to enter the room from a member of the staff of the Dean of Campus Life, and:
 - (a) This written permission form shall be authorized only when it is determined by the staff member that information available provides adequate reason for such room entry, and the form must indicate the items that are believed to be in the room; and
 - (b) Only items indicated on the permission form or otherwise in plain view may be confiscated and used as evidence; or
 - 3. the residence staff member entered the room with reasonable knowledge that there was immediate danger to life or property.
- E. Prior to obtaining any evidence in a room in University residential facilities, the staff member shall secure the appropriate written permission and shall first knock on the door of the room,

clearly announcing name and official position before entering the room.

- F. The hearing officer shall have the right to declare evidence inadmissible and may do so only if it is irrelevant to the case or if it was obtained improperly.

IV. RECORDS

- A. The record of all judicial hearings shall be maintained by the Student Judicial Officer in a secured file and shall be subject to limited access by the President of the Judiciary Council, or by the Dean of Campus Life.
- B. In all such cases where the student may be found not to have violated University regulations, such finding shall be clearly noted in the records and removed from the student's file.
- C. All decisions of Judiciary Council hearings shall be signed by the President of the Council and kept with the records.
- D. A copy of all case reports shall be kept on file in the office of the Student Judicial Officer.
- E. The student may request a copy of the electronic recording of the judicial hearing, such copy to be provided at a minimal cost. The request for such a copy shall be made in writing by the student to the Student Judicial Officer.

JULY 1992								CAMPUS NOTES							
S	M	T	W	T	F	S		ANSWER: When Dr. John Forbes, who served from 1885-1904, accepted the presidency of DeLand Academy, the campus consisted of four acres and the present DeLand Hall. The original Flagler Hall and the present Stetson, Chaudoin, Elizabeth and Sampson Halls were built during his tenure. Dr. Forbes was also responsible for getting Mr. John B. Stetson to contribute to the university.

PROGRAM PHILOSOPHY

STUDENT DEVELOPMENT

The residence hall is your basic living environment while attending Stetson University. The experiences you gain while living with your peers constitute fundamental parts of your education and growth. In fact, it is within the residence hall setting that your intellectual and social development come together and crystallize. Our goal is to help you become a competent, mature individual, fully responsible for yourself.

COMMUNITY DEVELOPMENT

The housing staff seeks to promote a sense of community within each floor of your residence hall. A community is a group of individuals which respects the rights and privacy of each other and functions together to promote the growth of the community for the benefit of all. It is different from students' home communities because the on campus community is largely comprised of seventeen to twenty-year olds who share common goals like seeking higher education and who are experiencing the transition from living at home to living on their own.

This transition is difficult enough before complicating it with the stresses and pressures of succeeding at college. Building a sense of community in the residence halls helps to establish peer support groups among residents. Peer support groups and support from family and friends significantly improve a student's adjustment and success at college.

To help you build a genuine community, staff and returning student leaders first provide a variety of opportunities for students to meet and interact. Then, scheduled activities such as recreational intramurals, organized socials, and educational programs help create a sense of an identifiable group. Step-by-step the process continues until, ideally, students take over the responsibility for planning community activities and begin to provide growth opportunities for each other.

How are successful communities recognized? Floors and sections that have built successful communities have very active residents. These residents govern their floor, halls, and areas, as well as plan social, recreational and educational activities. Damage to facilities is lower, and students demonstrate pride in their communities. Most importantly, successful communities foster environments that give each student the maximum opportunity to develop intellectually, socially, and personally.

INTRODUCTION TO RESIDENTIAL LIFE STAFF

THE EAST AND WEST AREA COORDINATORS (AC's)

The Area Coordinators are professional staff members who have the responsibility for providing supervision and support for the residential life program. The West Area Coordinator's office is located in Chaudoin Hall, and the East Area Coordinator's office is located in Nemec Hall. The Area Coordinators live in the buildings where their offices are located, which allows them to be aware of the day to day lives of students within their areas. The AC's are available to counsel and advise students, as well as to help develop programs which will assist in meeting residents' social and educational needs. They are here to help you in any way they can.

HEAD RESIDENTS (HR's)

Each residence hall is directed by a Head Resident who lives in that building. He/She has the responsibility of providing leadership for the Resident Advisors in your building. The Head Resident is a thinking, feeling, talking, doing, organizing, studying human being — in short, a student just like you — who enjoys working with, listening to, and helping others. Your HR will not be a social director, parent surrogate, or minicop. These students are advisors who are not going to solve life's problems for you but, as an interested and concerned friend, can help a great deal. You will find that a HR will confront a student when he/she refuses to act responsibly. Some of the common ways this can be done are: a reminder to the person(s) involved of their responsibility to the living community; warning of the consequences that a person brings upon himself by ignoring a guideline; involving upper level staff members; and/or asking for assistance from Public Safety.

RESIDENT ADVISORS (RA's)

An RA is an undergraduate staff member who resides on your floor in the residence hall. Your RA will quickly become one of the most important persons you will get to know. His/Her concern is to promote personal growth among residents of the floor. Each RA is committed to working with students in developing a sense of community. This is accomplished by him/her being a combination of friend, programmer, advisor, information giver, counselor, resource person, and landlord (of a sort). RA's are an integral part of the residence hall staff.

STETSON UNIVERSITY RESIDENCE HALLS

EAST AREA

CARSON HALL - Named for Dean G. Prentice Carson who came to Stetson in 1887 as a professor. He became Dean of the College of Liberal Arts from 1912-1934 and Dean Emeritus 1934-1946. Carson Hall was remodeled in the summer of 1983 and houses 50 men. This air conditioned facility also houses a TV lounge, large laundry facility (which is shared with residents from other halls), and a full kitchen.

GORDIS HALL - Named for Dr. Warren Stone Gordis, who came to Stetson in the fall of 1888 to serve as a Latin professor. He also served as Greek professor from 1912-1946, and as Professor Emeritus of Greek from 1946-1956. Gordis Hall is a modern residence hall facility which houses 147 men. Completely renovated in the summer of 1985, facilities include individual hall lounges, TV lounge, microwave cooking area, and is adjacent to the intramural and soccer fields.

HOLLIS HALL - Formerly a wing of Carson Hall and renovated in the summer of 1983 to house 51 women, Hollis Hall is named for Nina B. Hollis, wife, mother and grandmother of three generations of Stetson degree recipients, and whose son is currently a Stetson University trustee. The hall is air conditioned and includes individual hall lounges and a formal living area on the first floor. Residents share a newly renovated laundry area, TV room and kitchen with Carson Hall residents.

NEMEC HALL - Formerly known as New Men's Hall, this hall was renamed in 1988 to honor the generosity of Stetson alumni James and Ruth Nemec, benefactors of the University. Built in 1966, this residence hall has five modules, each of which houses 15 men and 15 women. Rooms are organized to open onto a central lounge area which facilitates group unity on individual floor units. Renovated in the summer of 1988, Nemec Hall is air conditioned and includes a TV lounge, kitchen, laundry, and study areas.

SMITH HALL - Named for J. Archy Smith, who was a professor of Mathematics from 1900-1925 and Dean of the University from 1900-1914. Renovated in the summer of 1986, Smith Hall houses 164 men. It is air conditioned and facilities include individual hall lounges and laundry facilities. A volleyball court is located between Smith and Gordis Halls.

WEST AREA

CHAUDOIN HALL - Named for Dr. W.N. Chaudoin, who was president, corresponding secretary and treasurer for the Southern Baptist Convention 1880-1901, and was a trustee of Stetson University 1886-1904. Chaudoin Hall was originally built in three sections: the center in 1892, the north

wing in 1894, and the south wing in 1935. Today Chaudoin is a modern air conditioned residence hall that serves as a "home away from home" for 242 women. The first floor lounge is decorated with turn of the century antiques which reflect the building's heritage. Student facilities include a kitchen, laundry room, study rooms, and a sundeck area.

CONRAD HALL - Built in 1909 and named for J.B. Conrad, a lumber man who owned a large sawmill near Glenwood, this hall currently houses 85 women. Renovated in the summer of 1983, Conrad is air conditioned and has laundry facilities, individual study rooms, and a kitchen.

EMILY HALL - Named in honor of Emily (Mrs. J. Ollie) Edmunds, this hall is the largest residence hall on campus and houses men on the north wing and women on the south wing. Its multi-level floor plan provides for group unity on individual floors. Renovated in the summer of 1988, the facility is air conditioned and includes a full kitchen, laundry facilities, study rooms, and a TV lounge.

STETSON HALL - The second building erected on campus and named for Mr. J.B. Stetson, who became interested in the young school and donated the largest amount of money towards the completion of the building, Stetson Hall houses 87 women and 77 men. The building was restored during the summer of 1984 and is the most centrally located residence hall on campus. Stetson Hall facilities include air conditioning, laundry facilities, TV lounge, individual study rooms, and a large kitchen.

FRATERNITY COMPLEX - One-hundred thirty-five members of five national fraternities reside in five two-story houses. Each house on Fraternity Row accommodates 28 students and is located adjacent to Edmunds Center on the northern end of the campus. These air-conditioned structures were built in the 1960's and include large meeting rooms, TV lounges, individual study rooms, laundry facilities and backyard patios.

SORORITY COMPLEX - The Sorority Row complex on East May Street, was built in 1987 and is located behind the Carlton Union Building. Sorority Row consists of six two-story houses in which a total of 96 students reside. Each house is home to 16 national sorority members. These air conditioned houses include chapter rooms, laundry facilities and study rooms.

A RESIDENT'S CONTRACTUAL AGREEMENT

The Department of Residential Life desires to provide housing of the highest quality possible for its students at the lowest possible rate and, for that reason, must operate the residence hall on a contract basis for the full academic year. Printed below for quick reference are some of the major provisions of the Housing Agreement. Since it is a legally binding document, please become familiar with all of its provisions.

1. Residence Requirement

All students must live in University residence halls unless they meet one or more of the following criteria:

- a. The student reaches the age of twenty before the effective date of the Agreement (June 1).
- b. The student is married.
- c. The student resides with immediate family.
- d. The student has earned 60 credit hours before the effective date of the Agreement.

2. Duration of Agreement

Submitting a housing application that is not cancelled before May 1st for new students or before June 1st for returning students (if the student meets the cancellation provisions) legally commits the student to living in University residence halls through the end of spring semester of that contract year.

3. Cancellation Procedures

The Housing Agreement may be terminated by a student during the academic year for the following reason: non-enrollment, withdrawal, graduation, academic suspension, enrolling for less than eight hours, marriage. Students who meet the residence requirement prior to the signing of the Agreement, or students who meet the residence requirement during the academic year, are bound to the contract for the full academic year if enrolled. These students are not eligible to petition for termination of the agreement.

4. Procedure for Termination of Agreement

In order to terminate this Agreement, the student shall: (1) submit a written petition to the Residence Hall Housing Agreement Committee (RHHAC) at least 30 days prior to the first day of registration for the semester for which the student desires to terminate the Agreement; and (2) must receive specific written permission from the Residence Hall Housing Agreement Committee. Petitions received after the 30 day deadline has passed will not be considered unless extreme circumstances can be demonstrated.

If an exception is made by having a petition approved after the deadline due to extenuating circumstances, the student would pay a penalty fee of \$300.00. Otherwise, these students shall obligated as residents for the remainder of the academic year.

5. Renewal of Agreement for Re-Enrollees

If a student withdraws from the University and then re-enrolls during the same academic year, the Agreement obligation is continued for the remainder of the contractual period.

6. Cancellation of Agreement by University

This Agreement may be cancelled or room assignments changed by the Director of Residential Life in the interest of order, health, best use of the facilities, or discipline. If a student exhibits disruptive, irresponsible, or inconsiderate behavior and constitutes a deterrent to orderly community living, the student, after a conference hearing is held, may have the room assignment changed or the Agreement cancelled.

7. Rightful Occupancy of Student Rooms

Rooms may be occupied only by students to whom they are assigned. Rooms may not be sublet to other persons. Room transfers may be made only after written approval by the Department of Residential Life. Monetary charges and/or disciplinary action will be taken against violators of this provision.

8. Legal Liabilities of University

The University shall not be liable for loss or damage of personal property or failure or interruption of utilities. Students are encouraged to provide their own personal property insurance. Every attempt will be made by the Department of Residential Life to give advance notice to occupants of utility interruption, repairs, etc., and to work expeditiously for the restoration of services.

9. Care of Residence Hall Space

The care of the individually assigned rooms in the residence halls shall be the responsibility of each occupant. Upon initial occupancy of an assigned room, each resident shall sign a Room Inventory Form attesting to the condition of the room and its furnishings at that time. Each student will be checked out by a member of the Residence Hall Staff at the end of the period of residency. Failure to check out in this manner will result in a \$50.00 assessment. Damage occurring within the room will be the responsibility of the assigned occupant(s). Damage occurring to a common area as a result of the action of students shall result in a recovery assessment to all students responsible. Where insufficient evidence exists to charge individual student(s), assessments for damage may be made to all students assigned to a hall, floor, or an entire building, as appropriate.

STUDENT RIGHTS AND RESPONSIBILITIES

WHO HAS THE RESPONSIBILITY?

The Residential Life staff's relationship with students is based on the assumption that residents are in fact adults, capable of initiating reasonable decisions to ensure their own rights and to respect the rights of others. Because we regard residents as adults, we do not have a long list of rules and regulations to which you must conform, and we do not have residence hall discipline boards to sentence violators. Instead, we emphasize freedom, self-direction and responsibility. To be sure, whereas many residence halls are obedience-oriented and attempt to control behavior, we at Stetson University are responsibility-oriented and encourage you and your group (floor) to handle your own problems. However, when a few individuals choose to behave more like children than adults, the residence halls take on a "childish image," and many people expect the staff to function as a parent and control the childish behavior. The real issue here is that the residence hall is YOUR home, and you must determine the kind of home it will be. We are hopeful that you will not break the rules.

As a member of the Stetson University residential community, you have...

RIGHTS AND RESPONSIBILITIES

YOU HAVE THE RIGHT...to pursue your studies in a pleasant and secure environment.

YOU HAVE RESPONSIBILITIES...which include knowing what the rules and standards for the Stetson University residential community are all about, and then abiding by those rules and standards.

SIX GREAT EXCUSES FOR BREAKING THE RULES...

...THAT WON'T WORK!!!!

I. VANDALISM/PROPERTY DAMAGE

"IT'S JUST SOMETHING THAT HAPPENED. WE DIDN'T MEAN TO BREAK ANYTHING. IT JUST GOT A LITTLE OUT OF HAND."

Every unnecessary repair to the residence halls ultimately gets passed on to you in the form of higher housing costs. As members of this community, you are expected to protect what is essentially your own property. If you choose not to do so, acts of vandalism and property damage will be responded to as follows:

1. Any student who accidentally causes damage to any Stetson property must immediately report such damages to his/her Resident Advisor. If the student's Resident Advisor is not available, it is the student's responsibility to contact another Resident Advisor in the building, the Head Resident for that building, or the Area Coordinator, in that order. If the incident is determined by the staff member to be an accident and the above procedure has been followed, the incident will not be considered a first-time vandalism offense. The occurrence of any second incident of damage by accident within the same academic year will be considered a first-time vandalism offense and thus subject to administrative review by the staff in the Department of Residential Life. Such review may include disciplinary action being taken against the student.

2. Any student who fails to follow the above procedure shall be subject to the disciplinary action indicated below and the incident will be considered a first-time offense of vandalism.

3. Any student cited for a second act of vandalism for damage to Stetson University property within any one academic year will be removed immediately from the residence halls and:

- a. Referred to the Student Judicial Officer for adjudication.

II. ALCOHOL

"JUST SIX MONTHS AGO, BACK HOME, I WAS DRINKING LEGALLY...THIS RULE IS RIDICULOUS."

Stetson has a long-standing policy which prohibits unlawful possession, use, or distribution of illicit drugs and possession, use or distribution of alcohol by students and employees on the campus. This policy expresses our **ideal** for an alcohol-free learning environment. Therefore, Stetson University does not condone or sanction the possession, use, or distribution of alcoholic beverages on or off the campus. The staff of each residence hall does not play the role of being a "policeman" by searching individual resident rooms for alcoholic beverages; however, if residents are seen violating this policy, the resident then forces Resident Advisor or Head Resident confrontation.

The consequences for this behavior include:

- a. 1st violation - a verbal warning will be issued and the incident documented.
- b. 2nd violation - the student will be referred to the Area Coordinator. A decision will then be made whether to refer the student to the Student Judicial Officer for disciplinary action, which could include:
 - 1) Immediate removal from the residence halls.
 - 2) Adjudication with appropriate penalties.

III. DRUGS

"EVERYONE DOES IT...YOU' MIGHT AS WELL BUST THE WHOLE CAMPUS."

Despite changing values and social patterns, strict and clear laws regulate the purchase, possession, and use of all drugs not prescribed by a physician, including marijuana. These laws apply here on campus as well. The residence hall staff will not search individual rooms without sufficient cause, however, if sufficient evidence is known, a room search will be made. Should evidence be found to warrant staff action, the Head Resident will refer the matter through the Area Coordinator to the Student Judicial Officer for disciplinary action which will include immediate removal from the residence hall and suspension from Stetson University.

It is also possible a warrant for the student's arrest will be issued for the use or possession of drugs, and definitely for the sale of drugs (the possession and/or sale of drugs is a violation of Florida State Law and could result in prosecution).

IV. DISRUPTIVE BEHAVIOR

"I LIVE HERE, TOO...I'VE GOT THE RIGHT TO DO WHATEVER I WANT TO."

The Residential Life staff strongly advocates students taking care of their own problems. When fellow residents make conscientious efforts to deal with students displaying disruptive behavior and those efforts are futile, the staff will become actively involved. Disruptive behavior includes excessive noise, the possession or use of fireworks, harrassment of another individual, and non-cooperation with University staff members.

The results of engagement in disruptive behavior will be:

- a. 1st violation - a verbal warning will be issued and the incident documented.
- b. 2nd violation - the student will be referred to the Area Coordinator. A decision will then be made whether to refer the student to the Student Judicial Officer for disciplinary action, which could include:
 - 1) a room reassignment OR removal from the residence hall.
 - 2) adjudication with appropriate penalties.

V. THEFT

"IT'S THE UNIVERSITY'S...HEY, IT REALLY DOESN'T BELONG TO ANYONE."

If students insist on leaving their rooms unlocked and bikes unchained, there will always be thefts occurring. It is a shame that people desire to be volunteer victims in this manner. We must then deal with those residents who choose not to be honest. Therefore, the taking of University property or property belonging to any member of the Stetson community is prohibited. If a student is suspected of theft, evidence will be pursued in order to clear or convict the student. If evidence indicates that the person is responsible for the theft, the resident will be referred to the Student Judicial Officer for disciplinary action which could likely include suspension from Stetson University.

VI. VISITATION

"WHAT'S THE BIG DEAL? WE WERE ONLY 30 MINUTES LATE IN LEAVING."

Along with visitation in the men's and women's housing areas come certain restrictions. Members of the opposite sex are allowed in the residence halls only within the established visitation hours. If residents are seen violating this policy, the resident forces staff confrontation. If evidence indicates that the person remained, or intended to remain, overnight, the incident will be referred to the Student Judicial Officer for disciplinary action which could include immediate removal from the residence hall as well as disciplinary probation and appropriate penalties OR suspension from Stetson University.

The consequences for non-overnight violation of visitation include:

- a. 1st violation - a verbal warning will be issued and the incident documented.
- b. 2nd violation - the student will be referred to the Area Coordinator. A decision will then be made whether to refer the student to the Student Judicial Officer for disciplinary action which could include:
 - 1) removal from the residence hall.
 - 2) adjudication with appropriate penalties.

Our disciplinary process has been designed by members of the Residential Life staff with your RIGHTS AND RESPONSIBILITIES in mind.

What happens if your RIGHTS are violated?

Any violation of community standards is a violation of your rights and you are encouraged to make reasonable attempts to correct the situation.

If the matter remains unresolved, you are expected to report the violation to a Residential Life staff member. The matter will then be referred to the appropriate person(s).

What happens if you violate the RIGHTS of others?

It is our hope that students will not violate the standards of our community. However, this depends on the cooperation and willingness of each student to respect the rights of others and the rights of the University. Should a student violate the rights of others in the area included above, then the University of necessity finds itself in a position where the severe actions listed will have to be taken. These actions mean that a student cannot be a part of the University community and must be asked to leave.

Noise, visitation, problems with floormates, entry of rooms by peers, etc., are issues that your living unit can resolve, using collective decisions to establish standards of behavior. For example, your floor/living group may want to establish specific quiet hours, or even specific prohibitions on other behaviors covered under mutual respect and consideration.

Our intention in publishing "Six Great Excuses" has been to communicate to you an understanding of the uniformity that we want our rules and standards to have, as well as the consequences of aberrant behavior. For procedural information, refer to the judiciary sections of this handbook.

Our efforts in dealing with rule infractions will be as consistent as possible. Moreover, we are dedicated to helping students grow and develop; therefore, decisions on discipline will vary according to the nature and frequency of offense.

RESIDENCE HALL POLICIES

APPLIANCES

Certain appliances — coffee makers, hot pots, hot air popcorn poppers and microwave ovens — are permitted in the rooms. However, the following appliances are NOT permitted: hot plates, toaster ovens, crockpots, open coil appliances and electric skillets.

Additionally, burning candles or open flames (i.e., potpourri or incense pots) will not be permitted.

No extension cords will be allowed in the residence halls. If there is a need for multiple plugs (i.e., over and above those outlets provided), residents must provide a strip outlet which meets the following specifications:

1. Must be UL approved and include a circuit breaker;
2. Must be 15 amps, 14 gauge; or 20 amps, 14 gauge;
3. Must be 120-125 volts;
4. Cannot have a cord more than six feet long;
5. Cannot have more than six (6) grounded power outlets per strip, with no more than four (4) in use at one time.

These strip outlets are available in the Stetson University Bookstore and in area department stores.

Small refrigerators are permissible but cannot be larger than 3'x3'. The Department of Residential Life rents refrigerators at a cost of \$35.00 per year (plus a \$10.00 deposit, which is refundable at the end of the year when the unit is returned).

BELONGINGS BETWEEN SEMESTERS

Residents may leave their belongings in their rooms at the end of Fall Semester and Winter Terms only, during the Housing Agreement period when the student is in residence. All belongings must be removed at the end of Spring Semester and at the end of Summer Semester. The University cannot be responsible for any lost or stolen objects. If belongings are left in your room during the allowed periods and you decide not to return to school, you must remove them by the day prior to the official opening of the halls or you will be billed for moving them into storage. Articles left in storage 20 days without the student being enrolled will be disposed of.

BICYCLES/MOTORCYCLES

Bicycles/motorcycles are not allowed in stairwells or hallways and must be kept outside. This is a standard fire safety procedure. You would be wise to bring a cover for whatever kind of two-wheeler you ride, as well as secure locks. Bike racks are available.

CHECK IN/CHECK OUT PROCEDURES

The care of the individually assigned rooms in the residence halls shall be the responsibility of each occupant. Upon initial occupancy of an assigned room, each resident is required to sign a Room Inventory Form attesting to the condition of the room and its furnishings at that time. Each student will be checked out individually by a member of the Residence Hall Staff at the end of the period of residency. Failure to check out in this manner will result in a \$50.00 assessment as well as a \$25.00 cleaning charge, if appropriate. Damages occurring within the room will be the responsibility of the assigned occupant(s).

CHECK OUT INFORMATION

In order to facilitate a residence hall check out procedure which is both expedient and complete, we are requesting your assistance with the following check out procedures.

1. Sign up with your Resident Advisor for a check out time. Remember he/she is taking finals, too!
2. Restore the walls, ceilings, doors and windows to their original state by removing posters, shelves, decals, etc., and touching up.
3. Dresser drawers must be emptied and dusted out.
4. All personal property and trash must be removed from the building.
5. University beds which have been disassembled must be reassembled and returned to your room. Upside down beds must be returned to rightside up position.
6. Windows should be locked and room lights turned off.

RESIDENTS WHO FAIL TO CHECK OUT PROPERLY WILL BE CHARGED \$50.00 FOR IMPROPER CHECK OUT, PLUS ANY OTHER CHARGES PENDING.

DAMAGES TO COMMON AREAS

A "common area" within a university residence hall for purposes of damage control and monetary assessment shall be defined as follows: any area or facility other than a resident's room, made available for use by all students living on a floor, hall, or within an entire building. Damages which occur to the common area as a result of the action of the student shall result in a "recovery assessment" to the students responsible. Where insufficient evidence exists to charge any individual(s), assessment for damage may be made to all students assigned to a hall, floor, or an entire building as appropriate.

FIRE AND SAFETY EQUIPMENT

When an alarm goes off, everyone must leave the building. At this time, your Resident Advisor will account for each resident.

Any student who, in an unauthorized manner, tampers with or improperly handles fire and/or safety equipment (including but not limited to fire extinguishers, fire hoses, smoke alarms and fire alarms) shall be removed from the residence hall and shall be subject to University disciplinary action.

For your information, please understand that the University is strictly enforcing the appliance policy, and should a student or students trigger a fire alarm by violating that policy or for any other inappropriate action, the student(s) will be fined \$125.00 each and adjudicated.

HOLIDAY PERIODS

All residence halls shall be closed during official University holiday periods. The right to grant occupancy of the residence halls during these periods by current resident students is reserved by the University. At the discretion of the University, residents may remain in the residence halls during Thanksgiving Break and Spring Break only, by securing approval in advance of such periods, and by moving into a consolidated area specified by the Department of Residential Life.

LOST KEYS

Residents reporting lost room key(s) will have their room rekeyed (new tumbler combination) and supplied with one key per occupant. Each time a key is lost, the resident responsible will be charged \$25.00 for replacement of the room key.

Maintenance will notify the resident when the new key is ready for pick up by placing a sticker on that resident's room door. It will then be the resident's responsibility to pick up the new key(s) from the Physical Plant within three (3) business days. If the resident fails to pick up the new key(s) by the end of the third day, he/she will be charged an additional \$25.00.

Residence hall keys should not be commercially copied as the use of copy keys results in excessive wear and damage to the entrance door locks. If a resident is found to be using a commercially copied key (i.e., other than a Stetson-issued key), he/she will be fined \$50.00 in addition to the \$25.00 for a university replacement key. At the time of check out, students must turn in their room key or be subject to an improper check out charge and/or lost key charge of \$25.00.

MISAPPROPRIATION OF FURNITURE

The furniture in public areas is put there for public use and is not to be moved from these public areas into student rooms. Any student(s) found to have this furniture in their rooms will be subject to disciplinary action.

OVERNIGHT GUEST POLICY

Stetson University encourages prospective students and friends of current students to visit the campus. In order to provide accommodations for guests, we require that all guests limit their stay to two nights on campus (unless special permission is granted) and, if bringing cars on campus, to register with the Public Safety Office. Guests are subject to the same regulations as are students, therefore residents bear equal responsibilities with their guests for conduct on campus.

PETS

No pets of any kind (except fish) are allowed in the residence halls, or on property immediately surrounding these facilities, due to safety and sanitation concerns. Students who violate this policy will be subject to disciplinary actions which may include removal from the hall. Students will also be held financially responsible for extermination services made necessary by a pet's presence.

ROOM CHANGES

Room or roommate changes will be made **ONLY** in the event of special/unusual circumstances. To petition for a change, all residents involved must first meet with their Head Resident. All efforts will be made to resolve the problem without necessitating an actual room/roommate change. No one will be permitted to make a room/roommate change without the written approval of the Head Resident(s) and Area Coordinator(s). If one of the residents of a double room moves from that room (or does not show up at the beginning of a semester), the Department of Residential Life may: assign a roommate for the remaining resident; consolidate available spaces; or, if space allows, at the student's request, assign a double room as a single by adding an additional fee.

ROOM ENTRY

Members of the Campus Life staff, which includes the residence hall staff, maintain the right to enter a student's room if there is reasonable cause to believe that the safety and/or welfare of the occupant(s) is at stake or the physical property of the University is in jeopardy. They also have the right to enter the room if there is reasonable cause to believe that University, local, State or Federal laws are being violated, and for routine maintenance and property inspection (Art. XI, Sec. 1, Judiciary Council Constitution).

SOLICITATION

No door-to-door peddling is permitted in the residence halls. Permission must be obtained from Campus Life by anybody desiring to conduct commercial solicitation on the Stetson University campus. If permission is granted, a written permit will be issued containing all the information pertinent to the solicitation after which the person conducting the solicitation may conduct his/her business according to the following guidelines:

- 1) Presentations will be conducted on a one-to-one basis; there will be no group presentations allowed in the residence halls.
- 2) No consummation of sales allowed in individual residence hall rooms or halls.
- 3) Presentations will not be allowed in public areas of residence halls.
- 4) Group presentations are allowed only in designated areas of the Carlton Union Building.
- 5) The Department of Public Safety must be contacted and the permit presented each time a new presentation is made on campus.

VISITATION

Visitation hours for each residence hall are as follows:

Sunday through Thursday: 10:00 a.m. - 12:00 midnight

Friday and Saturday: 10:00 a.m. - 1:00 a.m.

FIRE PROCEDURES

IF A RESIDENT SEES OR EVEN SUSPECTS A FIRE IN:

CARSON, CHAUDOIN, CONRAD, EMILY, HOLLIS, NEMEC OR STETSON HALL

All have automatic alarms which should already be activated, in which case you need to follow steps 3 and 4 below. However, if alarm should NOT be activated, follow steps 2 , 3 and 4 below.

GORDIS and SMITH HALL

Halls have individual room, battery-operated smoke detectors and if one is activated, follow steps 1, 2, 3 and 4 below. Halls also have pull station alarms and residents should learn locatiосn of these stations, and then follow steps 1 through 4 below.

1. **PULL THE CLOSEST FIRE ALARM** (only in buildings with pull stations).
2. **CALL THE DELAND FIRE DEPARTMENT - 9 - 911.**
3. **CALL STETSON SECURITY - 6000.**
4. **TRY TO NOTIFY A STAFF MEMBER OF YOUR SIGHT-ING OR SUSPICION.**

FIRE SAFETY

Should an emergency situation develop in your residence hall, students will be notified by the hall staff. Because of the variations in physical design of the residence halls on campus, instructions will be given according to the particular hall's requirements.

Besides being an annoyance, a false fire alarm can endanger the safety and lives of fellow residents.

Florida state law strictly prohibits anyone from tampering with fire and safety equipment in the residence halls or any campus building. This means that pulling false fire alarms, discharging fire extinguishers, removing exit signs, and activating fire hoses are not tolerated and a student doing such is subject to removal from the residence halls and possible criminal prosecution.

In addition, it is against University regulations for any residents to possess firearms, fireworks or explosive devices in the residence halls.

Because several fires have been caused in the residence halls by burning candles and/or the use of open coil electrical appliances or open flames, these types of appliances are not allowed in student rooms in any of the residence halls.

Because of the potential danger to other residents, trash, bottles, bicycles or other property are not to be left in the hall corridors or stairwells. Hallways should be kept clear of any obstructions, in case of fire.

FIRE PRECAUTIONS

Here are a few things to keep in mind to prevent the possibility of a fire:

- 1) Avoid using flammable room decorations.
- 2) Always use an ashtray when smoking. Be sure to extinguish cigarettes before leaving area or when emptying ashtrays. Do NOT smoke in bed.
- 3) Do not use candles or open flames. They are prohibited in residence halls.
- 4) Do not overload circuits — never use multiple plugs or extension cords.
- 5) Do not place electrical wiring under rugs, carpets, mattresses, bed springs, or around door and window casements.
- 6) Never use frayed or broken wires.
- 7) Use of live Christmas trees is prohibited in individual rooms. No Christmas trees of any type should ever be placed in corridors and stairways.
- 8) Never store gasoline, oil, oilbase paint or oily rags in hall.
- 9) Report any fire or empty fire extinguishers to the residence hall staff.
- 10) If fire alarms sound, leave the building immediately by the nearest fire exit.

FIRE ALARM INSTRUCTIONS

Residents should do the following when the fire alarm sounds:

- 1) Familiarize yourself with the fire evacuation plan for your residence hall.
- 2) When the fire alarm sounds, proceed immediately to the nearest designated exit. When possible:
 - Wear a jacket and shoes.
 - Take a large bath towel with you (to cover your face in the event of intense heat and dense smoke).
 - Close your room windows.
 - Leave the ceiling light on.
 - Leave your room door closed but unlocked.
- 3) Residents who are in rooms other than their own at the time of the alarm should evacuate the building with the wing on which they are visiting.
- 4) Once out of the building, stay away from the area immediately surrounding the building.
- 5) Do not reenter the building until given permission by the Fire Department or Residential Life personnel.

If there is a fire, certain precautions should be taken.

- a) Stay low to the floor to protect yourself from smoke and toxic gases.
- b) Check your door before opening it. If it is hot, **DO NOT OPEN** the door. If the door is cool and your path is clear to the exit, leave the building as soon as possible, closing your door behind you.
- c) If you cannot leave your room, **DO NOT** panic. Sheets and towels placed at the base of the door will help keep smoke out of the room. Signal for fire fighters by hanging a sheet or blanket out of a window or use a flashlight, then stay low. All rooms in a fire area are immediately searched by fire fighters who arrive only minutes after an alarm is turned on.

RESIDENCE HALL FACILITIES

CARSON HALL HEALTH CLUB

Located on the ground floor of Carson Hall, the Health Club facility provides students with access to Olympic weights, assorted barbells, dumbbells, squat rack, power benches, incline board, a heavy bag for boxing, and a custom built Swedish (in rock) sauna. The Health Club is staffed by students who provide assistance to members. There is a nominal membership fee and interested students should sign up with the Operations Assistant, Department of Residential Life, located in Room 215 of the Carlton Union Building.

CHAUDOIN HALL AEROBICS STUDIO

The Chaudoin Hall Aerobics Studio is located on the first floor of Chaudoin Hall, just off the Fireside Lobby. The aerobics studio is equipped with a treadmill, an incline board, a stationary bicycle, a ballet bar, and stereo system. Each semester a schedule of classes is organized, featuring a variety of skill levels and times. The studio has a maximum capacity of 20 persons, and classes are filled on a first-come, first-served basis.

LINEN AND LAUNDRY FACILITIES

A dirty subject, but the savings you receive from the laundry facilities...coin operated washers and dryers in every residence hall (except Gordis, which shares the large facilities in Carson)...brighten the topic. Students are responsible for providing their own linen.

VENDING MACHINES

Every residence hall has several mechanical hunger and thirst quenchers. They are quite handy to have around when the late night munchies strike. If a machine gets greedy, see the Operations Assistant, located on the second floor of the Carlton Union Building in Room 215, for a refund.

STRATEGIES FOR SURVIVING A ROOMMATE

Congratulations! You've moved into your residence hall, your new home. Feeling a bit uneasy? Wondering what your new roommate will be like? Your new roommate may be an old high school friend, distant cousin, friend of a friend, somebody's brother or sister, or a total stranger. The Residential Life staff has made a concerted effort to pair you with a roommate with whom you have much in common. But regardless of how well you know or don't know your new roommate, it will take a lot of work for the two of you to develop a good relationship.

Living with another person has so much potential for personal growth. It's important to note that roommates do not have to be best friends. It is not necessary to share every aspect of college life together. In fact, learning to accept each other's differences — without infringing on one another's rights — can be a valuable part of your education. It will be one of the best opportunities you ever have to learn the skills needed to live successfully with anyone, anywhere.

Remember, developing a good relationship is a process — it does not take place overnight — it takes time and effort.

QUESTIONS TO ASK EACH OTHER (AND YOURSELF!)

- Will smoking be allowed in the room?
- What about guests dropping by? How often? How late? Weekend visitors?
- What time do you go to sleep? What time do you get up? Are you a light or heavy sleeper? **DO YOU SNORE?**
- How much do you study? When do you study? How quiet does the room have to be for you to be able to study?
- What kind of music do you like? How loud? Will you use headphones?
- How hot or cold do you like the room?
- Which things of yours are OK to borrow? Which things are strictly off-limits?
- How neat and clean do you want the room? How do we decide who cleans what and when? What is clean? What is messy?
- How will we decorate the room?
- What about food in the room? Do we share?

SURVIVAL TIPS

- Never assume your roommate is just like you — you are both individuals.
- Always ask permission — don't just borrow the sweater or eat the cookies, even if you think it's probably OK.
- Listen to your roommate — make sure you understand how your roommate feels.
- Realize there is no such thing as a perfect roommate. Concentrate on making this roommate relationship work out.
- Take good telephone messages.
- Appreciate your roommate — praise and common courtesy can help any close relationship. Never take your roommate for granted.
- Don't let little things build up — talk about minor things when they happen. Don't wait for the "last straw."
- Avoid being judgmental — you aren't your roommate's keeper!
- Be willing to compromise — set the tone to solve a problem, not complain about it.
- Be assertive! If you don't stand up for yourself, nobody else will.
- Ask your RA or HR for advice. They are trained to help mediate conflicts.

RESOLVING DIFFERENCES

If problems or concerns between you and your roommate seem to be irresolvable, seek objective assistance from your RA and take the following steps.

- Get together everyone who is involved.
- Allow everyone to take a turn describing his/her perception of the situation, how he/she feels about it, and what he/she wants.
- Come to an agreement on what the conflict is.
- Everyone should take a turn describing a possible solution to the conflict.
- Come to an agreement on the solution.
- Make a plan of action which will help achieve the desired solution and set a time frame for these changes.
- Commit to making the necessary changes.
- Set a future date to evaluate the situation with your RA.

WHERE DO I GO TO...

CHANGE CLASSES...To the Registrar's Office to pick up class change cards, then on to the respective professor.

WITHDRAW...If this becomes necessary, you need to begin the procedure by seeing the Associate Dean of Campus Life, Room 209 in the Carlton Union Building.

CASH A CHECK...The Bookstore will graciously cash a check up to \$50.00 — if you have your ID, and funds providing!! (Note: There is a \$0.25 service charge.)

QUICK CASH...The automatic teller machine in the CUB will provide cash for Florida National Bank accounts and "Honor" card holders.

INQUIRE ABOUT FINANCIAL AID OR PART-TIME WORK...The Financial Aid Office is located in Griffith Hall. The Director of Career Service's office is located in the basement of Flagler Hall and is a good source of job information.

FIND A LOST...If you lose, or for that matter, find something, check with the Public Safety Office, 405 N. Amelia Avenue.

CLEAR UP A TRAFFIC TICKET...If one of those yellow tickets appear on the windshield of your car, you can pay for it in the Traffic Office, located in the Department of Public Safety, 405 N. Amelia Avenue. Hours are 9:00 a.m. to 3:00 p.m.

DECLARE MY MAJOR...You make an appointment with the Dean of your particular school (i.e., Arts & Science, Music, Business).

TAKE CARE OF MAINTENANCE PROBLEMS...for leaky faucets, faulty light switches, broken locks, running toilets, etc., talk to your RA, who will fill out a maintenance request form. If you are responsible for damage to school property, it is advised that you report it immediately to a Residential Life staff member.

GET INVOLVED...The Director of Student Life in the Office of Campus Life is involved in every group (including the ones no one has ever heard of!) on campus. You can find out about any organization on campus, so feel free to drop by the Student Life Office located in Room 217 of the Carlton Union Building.

FIND A PERSON WHO WOULD LIKE TO LISTEN TO MY PROBLEMS...If you would like assistance in choosing a major, deciding on a vocation, developing study skills, or dealing with a personal problem, the Counseling Center personnel can assist you. The above, as well as many other ways of finding help to develop oneself, can be achieved at the Counseling Center.

IF I BECOME SICK...The Student Health Service, located behind the University Pool, is staffed with several full-time nurses as well as a physician who sees students by appointment each day.

PARTICIPATE IN INTRAMURAL SPORTS...See your RA who will be involved in organizing intramural residence hall teams for twelve seasonal sports.

CAMPUS FACILITIES: THE STETSON COMMUNITY

Ten of Stetson's most distinctive buildings make up the newly designated **Stetson University Campus National Historic District**, serving as reminders of the university's history as Florida's oldest private university, while fulfilling necessary academic and administrative functions:

DELAND HALL, the first building constructed on the campus, houses the offices of the President, the Provost, University Relations and Institutional Research.

In **ELIZABETH HALL** are the Chapel/Auditorium; and administrative offices for University Business and Finance, Personnel, Chapel and Church Relations; a number of classrooms for the College of Arts and Sciences and offices for the Departments of Communications Studies & Theatre Arts, Economics, History, Philosophy, and Political Science.

FLAGLER HALL was originally built for the Science Department and the College of Law (moved to St. Petersburg in 1954). It is now used for classrooms; departmental offices for English, humanities, psychology, and sociology; the data processing center; and the offices of the Registrar and Continuing Education.

SAMPSON HALL was Stetson's first library building. When a new library was constructed, the interior of Sampson Hall was remodeled for the Sampson Gallery of Art and for the departments of art, foreign languages, and American studies.

CUMMINGS GYM, on Woodland Boulevard, provides an area for informal recreation and physical education classes.

STOVER THEATRE was named in honor of Dr. Irving C. Stover, professor of speech and drama at Stetson for more than 50 years. It is the site of many plays and musical productions during the year.

Three university residence halls: **STETSON HALL**, **CHAUDOIN HALL**, and **CONRAD HALL**, belong to the campus National Historic District and continue to provide student housing.

The **ALLEN HOUSE** is a small, two-story building which is headquarters for Public Relations, including the News Bureau and Publications Services offices. It was among the first homes built in DeLand.

Completing the campus community are:

GRIFFITH HALL, completed in the summer of 1989 and named for alumni Jack and Edna Griffith, is next to the Bookstore. The offices of Admissions and Student Financial Planning are located here.

The **DUPONT-BALL LIBRARY** was completed in 1964. It contains more than 400,000 catalogued items. Stetson was the first depository of federal government documents in Florida and has been designated as a depository of Florida government and Florida Baptist documents.

DAVIS HALL, home to the Division of Education as well as some departments of the School of Business Administration, was built in 1966.

SAGE HALL, is the physical and natural science center, housing the departments of biology, chemistry, and physics. It was completed in 1967.

UNIVERSITY RESIDENCE HALLS, including Emily Hall, Carson-Hollis Hall, Nemec Hall, Gordis Hall, Smith Hall and five on-campus fraternity and seven on-campus sorority houses provide housing for more than 1525 students.

ALLEN HALL was built for religious activities and to provide space for worship and recreation and for the Baptist Campus Ministry Offices. The building also includes offices and a classroom for the Department of Religion.

OUTDOOR RECREATIONAL AREAS include tennis courts on West University Avenue and on North Garfield, as well as Emily Field and Hollis Intramural Field.

ALUMNI HOUSE is located at 217 East Michigan Avenue. It is the home of Alumni Relations and the Office of Special Gifts.

The **COUNSELING AND CAREER PLANNING AND PLACEMENT CENTER** is in a large brick building at 145 East Michigan Avenue, near the south side of the library. It is to this center that students may go for counseling concerning personal and vocational problems.

The **EDMUNDS ACTIVITY CENTER** was completed in 1975 and is named for a former Stetson president and alumnus, Dr. J. Ollie Edmunds. This multi-purpose building contains staff offices and classrooms for the Physical Education Department; the basketball court, home of the Stetson Hatters; and student recreation rooms, saunas and weight lifting and various other equipment for athletic activities. The facility also can be used for dances, concerts, and entertainment of all kinds.

The **CARLTON UNION BUILDING**, the primary center for student life, was constructed in the mid-fifties. Named for former Florida governor and alumnus Doyle E. Carlton, the building houses food services, including the cafeteria, the Hat Rack grill, private banquet rooms, and the Stetson Room. Also included in the CUB are the Bookstore, the Post Office, and Campus Life offices. A large, student-run nightclub (The Rafters) is located on the second floor of the north end of the building. Student organizations, including the Student Association, Stetson Union Board, and student publications have offices there.

LYNN BUSINESS CENTER is the new home of the School of Business Administration. Acquired in 1990 through a gift from alumnus Eugene M. Lynn and his wife, Christine, the building houses classrooms and offices for the departments of finance, management, the George Investment Institute, the graduate program, and is being renovated to eventually serve all programs of the business school.

BRITTAIN HALL contains offices for the ROTC program.

The **OPERATIONS BUILDING** is located on the corner of East Minnesota Avenue and North Garfield Avenue. It is home to the Departments of Business Services and Physical Plant, and receiving/warehouse.
